

To CURE A COUGH, to relieve all irritations of the throat, to restore to perfect soundness and health the most delicate organization of the human frame—the Lungs—use Dr. Wistar's Balsam of Wild Cherry, which is still prepared with the same care in the selection and compounding of its various ingredients when it was introduced to the public by Dr. Wistar, over forty years since.

Husband—And what does the parson's wife say about it?
 Wife—Why, it does everything but impossibilities; she cures Sore Throat, Canker, Rash, Croup, Cough, Rheumatism, in fact she is a host of doctors all in herself if she has a bottle of Pain-Killer with her.
 Husband—She needs to be, I never saw such children as hers are, they are always cutting their fingers, spraining their ankles and falling down stairs.
 Wife—Yes, and the Pain-Killer is magical when used for Sprains, Bruises and Fresh Cuts. That reminds me Willie cut his finger awfully this morning; I will hasten and put some Pain-Killer on it.
 Husband—The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Stitches, Colds and Bowel difficulties, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Co., and sold by Druggists and Grocers.

FELLOWS
 COMPOUND SYRUP OF
HYPHOSPHITES
 AS all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are sustained by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.
 Modern Chemistry has ventilated the question and discovered the ingredients constituting the Brain, muscles and nerves, and that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.
 This Syrup substantially the basis on which FELLOW'S HYPHOSPHITES is built, its direct action upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.
 Rousing the Stagnant Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully saturated with Oxygen.
 It is adapted for all cases of Weakness and Emaciation, whether arising from a Seditary Life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.
 In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.
 For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows Syrup, and take no other.
