curious experiments in testing the effects of wine, brandy, and absinthe on fowls. To the attonishment of the doctor, the inhabitants of the chicken house took to habits of dissipation with evident gusto, and several disreputable old cocks signalized themselves by making away with a full bottle seach day, so that finally they were all put on stated allowance. The result of the trial was that the fowls began to lose flesh as soon as they had taxen to drink, and, as none of them were given the opportunity to reform, they all ultimately died. The fowls that indulged in brandy alone lasted four months and a half, while the wine-bibbers survived for ten months. But two months of absinthe drinking was found sufficient to kill the strongest cock or hem; and it is probable that the doses of this drink were very small, or the vile stuff would have made still shorter work with them. The most singular result of the experiments was that it was found that the use of alcohol gave an extraordinary development to the crests of the cocks, which increased to four times their original size, and assumed a hue of unnatural brightness, like a toper's nose.

BREAKFAST—EFFS'S COCOA — GRATEFUL and COMPORTING.—By a thorough knowledge of the natural laws which govera the operations of digestionand nutrition and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctors bills.—Civil Service Gazette. Married ladies, under all circumstances, will find Parson's Purgative Pills safe; and, in small doese, a mild cathartic. The cause no griping pains or cramp.

A fact worth remembering—hve cents worth of Sheridan's Cavatry Condition Powders, given to a horse twice a week, will save double that amount in grain, and the horse will be fatter, slecker, and every way worth more money than though he did not have them.

The use of tobacco causes indigestion.

though he did not have them.

The use of tobacco causes indigestion, palpitation, slowness of intellect, a desire for strong drink, and an intermittent pulse; it destroys the vitality of the blood, produces dizzinesss, disturbs sleep, makes a man miserable, and prematurely old. When the diseases are serious and stubborn, the best remedy is Fellows' Compound Syrup of Hypophosphites, as it restores circulation, the nervous ganglia, builds up the muscles, and induces healthy Liver, Heart, Stomach and Intellect.

No intelligent mind can fail to observe how the various and ever varying wants of the community are attended to by the enterprising merchants of Guelph. Instancing Hardware, in Mr. Horsman's Establishment, so noted for many years as the Emporium of everything in his line of business, it is somewhat astonishing to take a comprehensive view of the variety of his stock:—Guns, Pistols, Ammunition, Fishing Tackle, House Furnishings, Floor Oil Cloths, Mats, Ivory Table Cutlery, Plated Ware, Bird Cages, Flower Baskets, Smoothing Irons, Tea Trays, Wringers, Mangles, Lamps, Mechanics' tools. Besides the great assortment of Farming Implements, Scythes, Snaiths, Rakes, Forks, Hoes, Building and General Shelf and Heavy Hardware, Oils, Paints, Colors, Varzishes. One gets from this a slight idea'd what it is to carry on with enterprising spirit a large Wholesale & Retail Hardware Establishment. Every want for House, Farm, Trade or Manufactory oan be supplied Wholesale and retail at Mr. Horsman's. See advertisement.
