WEDNESDAY EVENING, JUNE 18, 1873

The Agricultural Association and the Exhibition Grounds.

We publish to-day a very sensible and conciliatory letter from a gentleman who has from the first taken a deep interest in our Central Exhibition, who deprecates the difficulties which seem to have sprung up between the Town Council and the Association, and who is most anxious to see an amicable arrangement made between these two bodies on a fair, satisfactory and permanent basis.

From our remarks on this subject last week, some of our readers were led to infer that several members of the Association Board were not only opposed to granting the building, but also the grounds for public use.

FOR LIEUT.-GOVERNOR.—The admission of Mr. Gibbs into the cabinet removes one of the "coming men" but two still remain before the public as probable successors to Lieut.-Governor Howland. It has been asserted by some of the knowing ones that John Crawford, M.P. for West Toronto, has received the appointment, and that Ex-Alderman Turner is to be the Government candidate for the constituency thus rendered vacant.

BANK OF HAMILTON.—The first annual meeting of the shareholders of this Bank was held on Tuesday, when a very satisfactory report was presented. The paid up capital amounts to \$275,000. The net earnings of the bank have been \$23,451.27 during the first nine months of its existence, from which has been declared a dividend of 8 per cent., or \$18,452, leaving to the credit of profit and loss a reserved balance of \$5,499.27.

It is now rumored that Mr. Hugh Macdonald, Antigonish, will be the new Minister from Nova Scotia; that Mr. Stewart Campbell is to get a Judgeship; in the meantime, however, becoming an administrator of the Government of the Province.

THE appointment of Judge Johnson to the Lieutenant-Governorship of Nova Scotia, was entirely unexpected. At least accounts, the Judge, who is 82 years old, was in the south of France improving in health.

SINCE RAILWAY BY-LAW.—The By-Law granting \$300,000 to aid in the construction of the Hamilton and Northwestern Railway, by the County of Simcoe, passed the third reading at the County Council at Barrie, by a vote of 29 yeas to 8 nays.

THE LION!

GREAT COMMOTION IN THE DRY GOODS TRADE

and a Tremendous Rush at our Mantle and Millinery Rooms.

On all hands we hear of dull trade: "Nothing doing," says Tom, Dick, and Harry, but it is not so at THE LION. Still great bustle and activity at the leading house. The spring trade is opening beautifully, thus encouraging us to greater endeavors in the public weal; and the reason of our success is apparent. Our Goods are all direct from the manufactory, and none can do a successful business only those who buy from first hands, for which our Establishment has long been noted.

OUR MILLINERY DEPARTMENT

Our Millinery is a complete success this spring, the taste inherent displayed by Miss McDonald is captivating all hearts, and places her high in the ranks of first-class Milliners. Combined with the genuine popularity of Miss Sutherland, thus making our rooms the centre of attraction.

THE Genuine Thing!

10 per cent. off for Cash

As Mr. STEWART is leaving for the British and Continental Markets in July, he has determined to reduce his large stock of Dry Goods and Clothing by 20,000 this month. To effect this he has resolved to allow a discount of 10 per cent. on all purchases of \$1 and upwards. So rare a chance of securing cheap goods seldom occurring, the public should avail themselves of making and saving money. Quotations of prices being no real criterion of cheapness, an inspection of goods is solicited.

FOR SALE.—A desirable Villa near Guelph, being part of Lot 35, Division A, Township of Guelph, lying on the north side of the Guelph and Fergus Road, 14 miles from the Market Square, and familiarly known as the "Valentine" lot, containing about 9 acres of land, beautifully studded with natural trees, and having two remarkably fine springs of pure water, which might be used to advantage by a lover of pisciculture. There is a very comfortable brick cottage on the property, containing 7 good sized apartments with stable and driving shed. There are few such properties to be purchased around Guelph.

Also—the Lot adjoining—known as the "Hubbard Lot"—containing five acres, having natural shade trees interspersed throughout. The river Speed forms its eastern boundary, and presents a very eligible site for a private residence, being a convenient distance from the town on one of the leading roads.

Terms for both properties liberal, and may be learned by applying to Charles Davidson, Land, Loan, and General Agent, Town Hall, Guelph. 10w3w
