NORTH AMERICAN FIELD TRIALS
St. Joachim, Essex county, Nov. 6.—
The N. A. F. T. C. Derby was held at the
club grounds at St. Joachim. The
feature of the day was the brilliant
work of the two pointers, Bella Point-
er, owned by Marcon & Morton, of
Windsor, and Duke of Vassar, owned
by R. Bangham, of the same city.
Both showed work of high quality.
Bella Pointer was placed first, Duke
of Vassar second, and Dan Thays, an
English setter, owned by J. E. Dale,
fourth. The winner of the day was the
fourth event, a brace of Dan Thays, a
litter sister of Dan. Fifth came Dash's
Tribby, English setter, owned by R.
Bangham. Lady Vassar II, owned by
W. E. Warner, Belle Isle Kennels,
showed remarkable form considering
her age, being only 9 months old.

FOOTBALL.

Buffalo, Nov. 6.—At Olympic Park,
Saturday afternoon, one of the foot-
ball players in the game between the
Elmwoods and Dunkirks was borne off
the field with a broken leg. The ac-
cident occurred at the beginning of the
second half of the game. The Elm-
woods' center kicked off, and Herbert
Rood, a student of the Fredonia
Normal School, caught the ball. Stow-
ing it safely under his arm he ran
about fifteen yards, when he was tack-
led by Bruce and Barnett of the Elm-
woods, simultaneously. Bruce clung
to him about the neck and Bennett
grabbed him by the knees. At the
same moment a sharp snapping sound
was heard, like that produced by the
breaking of a dry pine stick. The
noise was heard by the spectators on
the side lines, and at the same time
Rood sank to the earth with a cry of
pain. Rood was taken to the hospital,
where it was found that he had sus-
tained a fracture of the right tibia.

PRACTICE MATCH.
The Lo. Juniors are trying to
arrange a practice match with some
strong intermediate team for next
Saturday. Everyone feels the neces-
sity of practicing hard for the final
match against the Kingston Nationals,
which game will take place on Tecum-
seh Park on Nov. 18.

SPIKE WON.
New York, Nov. 6.—Spike Sullivan,
after an intense fight, succeeded in
knocking out Joe Youngs, of Buffalo,
in the latter part of the 20th round.
In the Greenwood A. C. Saturday night.
Jim Jeffries and Billy Smith were in
Youngs corner.

OLD JOHN L'S OPINION.
John L. Sullivan, for many years
champion of the world, saw the Shar-
key-Jeffries fight. He said: "The de-
cision was right, and it is a dead cer-
tainty that the best man won. He sur-
prised me in every way toward the
end. Sharkey is one of the gamest
and hardest-hitting men I ever saw. I
would like to see Jeffries and Sharkey
in a finish fight."

Sullivan, speaking of the parapher-
nalia of the men who took pictures of
the fight, said: "I cannot say I stand
much for a prize ring hung with elec-
tric fans, bric-a-brac and electric sun-
bursts. There are too many frills to
the modern game. A shave and a sham-
poo used to do for me."

CHOYNISKI DEFEATED CHOYNSKI.
Cincinnati, Nov. 6.—Joe Choyinski,
Saturday night, before the Olympic
Club, knocked out Tom Carey, of New
York, in the second round of what was
to have been a 15-round bout.

JOCKEY KUHN UNFORTUNATE.
Cincinnati, Nov. 6.—Jockey Charley
Kuhn, who has been hurt on nearly
every race track in the west, came
near losing his life at Newport on
Saturday. Kuhn rode Hittick in the
six-furlong handicap. When the field
made the turn on the home stretch,
Kuhn's horse swerved under him, and
before he could get control of the ani-
mal, Hittick crashed through the in-
field fence, and threw Kuhn into a
deep ravine. The boy was covered with
blood when picked up, but luckily no
serious injury resulted. Hittick was
badly crippled, and may never race
again. Weather, clear. Track rather
slippery. Summaries:

purchase of the Pittsburgh Baseball
Club by President Dreyfus, of the
Louisville club, is off for the present,
at least. Both sides made explana-
tions of the difference.

urday, Harry Cullum, of Cardiff, beat

utes, and finished two yards in front
of Bredin.

CURLING.
CHATHAM CLUB.
Chatham, Nantuxet, first meet-
ing of the season of the curling club
was held Friday evening. The secre-
tary-treasurer report showed that 22
games had been played last season, 22
won, lost and 3 drawn. The debt last
year was reduced by about \$200, leav-
ing but a small indebtedness at pres-
ent; total receipts, \$376, all of which
was expended. The officers elected are:
President, Robert Pearson; Vice-presi-
dent, Archibald Campbell, M.P.; and T. L.
Pardo, M.P.P.; President, Chief Young;
vice-president, W. D. Sheldon; repre-
sentatives to the O. C. A., David
Pardo and Dr. J. L. Bray; secretary,
John Dunlop; treasurer, George Tay-
lor; executive committee, John Mc-
Coy, Dr. R. V. Bray, W. E. Merritt,
Robert Pritchard and Geo. Taylor;
chaplain, Rev. Robert McCosh; audi-
tors, P. S. Coate, and W. E. Rislin.

WHEELS.
SADDLE SQUEAKS.
Tom Linton has been defeated three
Sundays in succession by Edward
Taylor. Both have been seen on Am-
erican tracks.
Nat Butler, the handicap king, has
decided to retire from racing and set-
tle down to business. He has pur-
chased a barber shop in Cambridge,
Mass.

An automobile company has been
organized in Hawaii with a capital of
\$2,000,000, and a charging plant cost-
ing \$100,000, which is capable of sup-
plying 100 vehicles a day. The company
has purchased 30 electric conveyances.

BRAIN FOOD.
Is of Little Benefit Unless It Is
Digested.

Nearly everyone will admit that as a
man eats too much meat and too
little of vegetables and the result is
poor health.
For business men, office men and
clerks, and in fact everyone engaged
in sedentary or indoor occupations,
grain, milk and eggs, and several years ex-
perience have proven Stuart's Dys-
pepsia Tablets to be a very safe, pleas-
ant and effective digestive, and a rem-
edy which may be taken daily with the
best results.

It is always best to get the best re-
sults from our food that some simple
and harmless digestive should be taken
after meals to assist the relaxed dig-
estive organs, and several years ex-
perience have proven Stuart's Dys-
pepsia Tablets to be a very safe, pleas-
ant and effective digestive, and a rem-
edy which may be taken daily with the
best results.

Stuart's Dyspepsia Tablets can hard-
ly be called a patent medicine, as they
do not act on the bowels or any par-
ticular organ, but only on the food
eaten. They supply what weak stom-
achs lack, pepsin, diastase, and by
stimulating the gastric glands increase
the natural secretion of hydrochloric
acid.

People who make a daily practice of
taking one or two of Stuart's Dys-
pepsia Tablets after each meal are
sure to have perfect digestion, which
means perfect health.
There is no danger of forming an
injurious habit, as the tablets contain
absolutely nothing but natural diges-
tives; cocaine, morphine and similar
drugs have no place in a stomach
medicine and Stuart's Dyspepsia Ta-
blets are certainly the best known and
most popular of all stomach remedies.
Ask your druggist for a five package
of Stuart's Dyspepsia Tablets, and,
after a week's use, note the improv-
ment in health, appetite and nervous
energy.

**THE WRECKERS
OF THE MAINE**
Information That May Disclose the
Actors in the Alleged Plot.

Meriden, Conn., Nov. 6.—The follow-
ing special cable from Havana, Cuba,
was received in this city from Francis
Atwater, financial secretary for the
Red Cross in that country:
"I have just learned from a well-
known detective that he is hot on the
trail of the villains who blew up the
battleship Maine in Havana harbor,
the wreck of which I can see as I send
this dispatch."

"One of the scoundrels, according to
my information, claims he has not been
treated right. He offers now to turn
state's evidence if he is paid \$15,000 to
\$20,000 so that he can live in seclusion
in some foreign country for the re-
mainder of his life, as he well knows
that in Cuba or in the United States,
he never would be allowed to live an
hour when it is known that he is one
of the dastardly cowards who caused
the loss of so many lives. He claims
there were seven or eight in the plot,
some of them now being in the United
States and others here."
(Signed) FRANCIS ATWATER.
Mr. Atwater sent the dispatch to a
local newspaper, of which he is pres-
ident.

The man who boasts of being self-
made probably believes that an honest
confession is good for the soul.

STEAMER SUNK OFF CLEVELAND

Suddenly Disappeared Just at
Daybreak.

Life-Savers Rescued 19 Men From a
Sinking Scow.

Cleveland, Nov. 6.—The steamer
Preston, which arrived Saturday, re-
ports that shortly before daylight she
sighted a steamer flying a signal of
distress and rolling badly in the heavy
sea about fifteen miles off shore. The
steamer was seen to disappear. The
Preston cruised around for some
time, it is said, without being able to
find any trace of her. Tugs sent out
from her failed to find any signs of
wreckage.
Houghton, Mich., Nov. 6.—Nineteen
men were rescued from drowning in
Lake Superior Wednesday night by the
life-savers at the entrance to the ship
canal. The men were employed in
government work and were in charge
of Hamlet Kent, government inspector
of canal work. They were on a scow
and were caught in the gale. A tug
saw their signals of distress and put
out to their rescue, but became dis-
abled by picking up a line in her
wheel, which was hanging from the
scow. The life-savers then manned
by whistles from the tug and took the
men off in safety just as the scow
broke up and sank. The tug worked
the line loose and returned to port
under her own power.

FRIEND'S PLOT TO STEAL A WIFE

Strange Story Comes Out in Court—
Comedian Hopper's Joke on His
Audience.

London, Nov. 6.—One of the most
sensational dramas of real life ever
enacted was brought to light in the
divorce court last week. The principal
dramatic personae were two men nam-
ed William Peters and William Rich-
mond. They were bosom friends and
partners in business, and the woman
was the young wife of Peters. Rich-
mond was chosen as best man at the
wedding, and lent the pair a house he
owned in North Wales for the honey-
moon. After the marriage ceremony
Richmond accompanied the bride and
bridegroom in a train for part of the
journey, changing carriages at Stoke-
on-Trent. The lady was left alone for
a while. When they returned she had
vanished.

To their, or at least to the bride-
groom's, surprise, they found that she
had taken advantage of the train
bound London-wards to get into it. In
the great metropolis they searched
Richmond helping his friend, without
avail. For days they hunted. Peters
was inconsolable at his loss, notwith-
standing the sympathy and encourage-
ment of his dear friend Richmond.

PLOT OF HIS FRIEND.
Suspicion was first aroused by a
strange woman turning up at the
hotel where Peters was staying, claim-
ing to know him, a stranger in Lon-
don. He asked her name, and she told
him his friend Richmond was puzzled,
but the next morning the missing
bride put in an appearance at his ho-
tel with a solicitor and accused him
of having been the strange visitor of
the night before.

Now fairly on the true scent he very
soon discovered that Richmond, his old
and trusted partner, had been trans-
acting business as usual on Sat-
urday, when he was stricken with paral-
ysis. He never rallied, and passed
away Sunday night. The late Mr.
Thomson was connected with the Mon-
teal Transportation Company for over
30 years, and had taken a leading part
in Montreal commercial circles. He
was president of the Montreal Com-
merce Association, a harbor com-
missioner and a leading member of the
board of trade. He was 60 years of
age.

No one need fear cholera or any
summer complaint if they have a bot-
tle of Dr. J. D. Kellogg's Dysentery
Cordial ready for use. It corrects all
looseness of the bowels promptly, and
causes a healthy and regular action.
This is a medicine adapted for the
young and old, rich and poor, and is
rapidly becoming the most popular
medicine for cholera, dysentery, etc.,
in the market.

JOKE BY DE WOLF HOPPER.
What a "goat" and a very amusing
one, too, was played off by De Wolf
Hopper at the Comedy Theater on
Tuesday night. It was on the occasion
of the production of "The Renegades,"
a burlesque on Sydney Grundy's "The
Degenerates," to run after "El Cap-
itan," which is still going strong. Mr.
Harold Blake was cast for the Duke of
All, a wit upon Mr. Charles Hawtree's
acting in the original play.
When the Duke of All came upon
the stage the critics and the audience
were all astounded. It was a mar-
velous make-up, the likeness of Mr.
Hawtree being simply amazing. Peo-
ple rubbed their eyes and looked at
the programme. The name there was
Mr. Blake right enough. When he
spoke it was with Mr. Blake's voice
and a strong American accent and in-
tonation; all but the face was Blake.
It all came out at the end. It wasn't
Blake at all.

Blake was indisposed. De Wolf
Hopper and Hawtree are great friends.
Hawtree had been in the theater often
at rehearsals offering suggestions. He
knew his line perfectly, and at the
last moment, to save the situation,
Hawtree stepped into the breach, so
that he not only burlesqued himself,

**Don't Chide the
Children.**

Don't scold the little
ones if the bed is wet in
the morning. It isn't the
child's fault. It is suffer-
ing from a weakness of the kidneys and
bladder, and ask kidneys need strength-
ening—that's what you can't afford to
risk delay. Neglect may entail a lifetime
of suffering and misery.

DOAN'S KIDNEY PILLS

strengthen the kidneys and bladder, then
all trouble is at an end.
Mrs. E. Kidner, a London, Ont., mother,
living at 499 Grey St., tells of her little
daughter's cure as follows:
"My little daughter, six years old, has
had weak kidneys since birth. Last Feb-
ruary I got a box of Doan's Kidney Pills
at Strong's drug store. Since taking
them she has had no more kidney trouble
of any kind. I gladly make this state-
ment because of the benefit my child has
received from this medicine."

Doan's Kidney Pills are the only never-
failing cure for backache, weak or lame
back, and all forms of kidney disease,
urinary trouble or bladder weakness in
children or adults. Remember the name,
Doan's, and refuse all imitations. The

but Blake's peculiarities of accent as
well.

JOKE OF THE WEEK.
When Mr. Hopper explained to the
house the audience enjoyed the "goat"
thoroughly, cheering and laughing as if
they would never stop. They laughed
until tears suffused their eyes as they
filed out; they are laughing yet. It is
the "goat" of the week in theatrical
circles.

With "The Degenerates" and "The
Black Tulip," Sydney Grundy occupies
the enviable position of having two
successful plays now running in Lon-
don only, the difference between the
two being that while critics condemned
the former on account of its nastiness,
all were loud in praise of the latter
for the one reason of its wholesome
purity and freedom from anything un-
savory. It will now be interesting to
watch which will have the longer run.

REVOLT SPREADS

Columbia Government Troops Routed
and Their Equipment Captured.

Kingston, Jamaica, Nov. 6.—Colom-
bian advances of Oct. 31 and private
advices contradict the story received
over censored cable of the destruction
of the Colombian insurgent fleet.
Successful plays now running in Lon-
don only, the difference between the

A great battle was fought on Oct. 30,
ten miles outside of Barranquilla, and
resulted in the defeat of the govern-
ment forces, with the loss of 300 killed
and 100 wounded. The army was
routed and its equipments captured.
The rebels have arrived at Barranquilla
from Curacao with 600 insurgent rein-
forcements and a quantity of arms and
munitions. The revolution is spread-
ing rapidly.
The rebels have been several important
desertions from the government, owing
to the disruption of the Conservative
party, due to the financial troubles,
with which the Liberal party is unable
to cope should the revolution suc-
ceed.

cident occurred at St. Peter's crossing,

way, Saturday afternoon. John Stipe,

a New York Central flyer while step-
ping across the track on Saturday. He
was horribly mangled, and his head
was cut off.

DROPPED DEAD.

an old resident of Rothsay, Wm., and
one of its pioneers, suddenly fell over-
board on Saturday, while conversing
with a neighbor.

men were killed, two seriously injured
and one had a narrow escape from
death by a rush of dirt in the mine
operated by Lawrence & Brown, near

**SUDDEN DEATH OF DAVID THOM-
SON, MONTREAL.**

Montreal, Que., Nov. 6.—Mr. David

urday, when he was stricken with paral-

or pain in the loins and small of the
back, is occasioned by a congestion of
blood in that part, caused by exposure
to a cold or a draft of air, checking the
perspiration. The counter irritant and
diffusive stimulant properties of Rad-
way's Ready Relief admirably adapt it
for the cure of this disease. The Ready
Relief should be applied to a large
surface and well rubbed in. It is
quite wonderful how readily it relieves
the pain of this distressing complaint.
In some cases the pain is so extreme
that there is danger of inflammation
setting in and extending to the kid-
neys. In that case, take at once a
dose of Radway's Pills, and at the
same time keep up the application of
the Ready Relief, and the most ob-
stinate case will yield to this treat-
ment. Plasters in general do harm in
these cases of pain in the side and
back, they grip up the pores and pre-
vent the proper action of the respi-
ratory glands and stop the natural ex-
halations of the skin.

faction.
