RUSSIA'S SCATTERED SHIPS.

The squadron which left Port Arthur consisted of six battleships, four cruisers and eight torpedo boat destroyers. The following have been accounted for:

Czarevitch, in Tsing Chou harbor, a German port; badly damaged. Admiral Withoft, her commander, and four other officers and 210 men killed and 60 wounded.

The Pobleda and the Retvizan, both badly damaged, are believed to have put back into the harbor at

The Bayan has not been heard from since the fighting. The Sebastopol was so badly damaged that she could not be maneuvered, and is stranded somewhere

in the vicinity of Port Arthur. The Novik reached Tsing Chou harbor, where it coaled and subsequently put to sea. The Poltava is missing, no reports of her whereabouts having been received.

The Askold reached Shanghai and went into drydock. Fifteen of her crew were killed and 50 wounded. The other cruiser is believed to be off the Saddle Islands, awaiting coaling vessels. Two destroyers stranded in the vicinity of Wei Hai Wei. Their crews reached port in safety.

The Ryeshitelni put into Che Foo, but was subsequently cut out and captured by the Japs. The Grozovoi is at Shanghai. A destroyer was off the coast of Korea, on Aug. 11, steaming to the
