WHY YOU SHOULD USE
A BACH MOUTHPIECE—
THE leading symphony, opera and solo artists use the Bach mouthpiece exclusively. There are excellent reasons for this partiality. Each of us has a limited amount of vitality. There are some who have grasped the art of living and preserving their energy. These retain their vitality, strength and health to a ripe oid age. Others, falling to realize their limited powers, burn up their vitality in annecessary effort and fail just as the wise man begins to live. As every dissipation shortens life, so also does every unnecessary strain. Genuine Bach mouthpieces for sale at MASON & RISCH, LIMITED.
