E. Nelson, M. D. Inventor and Proprietor.  
COMSTOCK & CO., 71 Maiden Lane, New York.

From the New York Herald.  
**MYSTERIOUS,**

A gentleman belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1810 up to recently, been heat mostly double, and for several years confined to his bed, has been restored to good health—has regained his natural erect position—and has quitted his carriage, and now walks with ease! We believe this is the gentleman's own description as near as possible, and there is no exaggeration in it. We will give inquiries will excuse the liberty, so that any one feeling who know three facts—though he requests that we may not insert his name—Among other similar instances, Mr. James G. Reynolds, 141 Christie street, has been restored, and will give personal assurances of the facts of his case. Both were Rheumatism, and contracted cords & sinews. How has this been done?  
Answer.—By the Indian Vegetable Elixer internally, and Heines Nerve and Bone Liment externally. Sold only by COMSTOCK & CO. 71 Maiden Lane, New York.

**LOOK OUT.**

Some rascals have counterfeited this article and put it up with various demerit. Do not be imposed upon. One thing only will protect you—It is the name of COMSTOCK & CO. that some must always be on the wrapper, or you are cheated. Do not forget it. Take the direction with you, and test by that, or never buy it, for it is impossible for any other to look so genuine. Sold by Comstock & Co. 71 Maiden Lane, New York.

Double the Quantity and Better Quality than any other of the same price!!! remember this.

**LIVER COMPLAINTS AND ALL SICKNESS AND DISEASES.**  
DR. LIN'S TEMPERANCE LIFE-BITTERS, AND CHINESE BLOOD-PILLS. The greatest Secret discovered!

**PURGE—purge—purge—** has been the cry for the last few years. This has been effectually tried, and yet sufferers have multiplied—and died—why? Not because purging was not necessary, but too much has been done without the thought to follow, and sustain the system. Purge, you must! The sickly humors of the blood must be carried off—or the accumulation of them prevented. Prevent, then, the growth of such humors.  
Why do the Chinese live to such immense ages, and still retain the powers of youth or middle age?—Because they purify the blood. The Chinese Blood Pills—so called because they work upon and cleanse the blood—are the standard remedy. These pills will do it, and the Temperance Bitters, taken as directed, will strengthen the system and prevent the accumulation of the base humors which infect the blood, and which only increase by purging. The bitters are taken alone. Buy, then, these pills and bitters. Take the pills daily, and the bitters, and if you are or have been invalid for days, weeks, months or years, you will find the pills and bitters do what no other medicine can do, and prevent from a return, and the yellow yellow hue of sickness change partly to the full glowing glow of health & youthful buoyancy.  
There are cases so numerous of these brilliant effects, that not much space forbid an attempt to put them down. Buy and use these medicines, and use no other, and health and strength shall be yours. See wrapper and directions that come with them.

**FRAUDULENT COUNTERFEITS** will be attempted. Buy no remedy of the kind unless it have my name—O. C. LAY, M. D.—on the wrapper, and also the notice as follows:—  
Entered according to Act of Congress, A. D. 1841 by Thomas Conner, in the Clerk's Office of the District Court of the United States, for the Southern District of New York.  
Warranted the only genuine.  
Messrs Comstock & Co. New York, are the sole wholesale agents for the United States and all neighbouring countries. DOCTOR O. CLIN.

**TO THE OLD AND YOUNG.**  
HO! YE RED HEADS & GREY!

**PHENOSTON IN CHEMISTRY.**  
BEST INDIA HAIR DYE.  
Colors the Hair, and will wash the Skin!!!  
This dye is in form of a powder which in plain matter of fact may be applied to the hair over night, the first night turning the lightest red or grey hair to a dark brown, and by repeating a second or third night, to a bright jet black. Any person may, therefore, with the least possible trouble, keep his hair any dark shade or a perfect black,—with a positive assurance that the powder, if applied to the

skin, will not color it. There is no trouble in removing it from the hair, as in all powders before made. By an occasional application, a person turning grey will never be known to have a grey hair in sections complete with the article. There is no coloring in this statement, as one can easily test.  
These facts are warranted by the gentleman, who manufactures it, who is the celebrated chemist, Dr. Comstock, author of Comstock's Chemistry, Philosophy, and many other works well known and widely celebrated by the public.  
This dye is sold only by COMSTOCK & CO. 71 Maiden Lane, New York.

**OLDRIDG'S BALM OF COLUMBIA.**

THIS article was first introduced into New York market about twenty years since, and from its superior virtues in reproducing hair when it had fallen out, keeping the head free from dandriff, (a most loathsome article on a gentleman's coat) and before you purchase, and the Oil of various kinds before to the hair, has induced some persons to set up and advertise many other articles for the same purpose, none of which stand the test of trial, professing as most of them do, to be Oils of various kinds, all of which are positively injurious to the human hair. Let none be deceived, no other article will make the hair grow rapidly and of a good quality but the Balm of Columbia, and no article purporting to be the Balm of Columbia is genuine without the name of COMSTOCK & CO. on the outside wrapper. Some have been deceived, and obtained a counterfeit article for the true and genuine Balm of Columbia. Remember to look for the name of COMSTOCK & CO. on the wrapper, before you purchase, and get none but the genuine. Don't be deceived with the assurance that, and without that name is made in the same way, any is just as good, all such pretensions are false, and known to be so by the consumers.

**WILLMER AND SMITH'S EUROPEAN TIMES,**  
AND United States, Canada, West Indies and South American Intelligencer.

THE object of this Publication is to present a striking and faithful abstract of all events occurring in Europe or elsewhere, interesting to the citizens of the U. States, Canada, the West Indies, and South America, made up the hour at which the Steamers and Packets sail.  
The leading feature of the European Times will be a carefully digested abstract of General News, Correct Returns of the principal British and Continental markets, Arrivals and Sailings to and from all Ports of the above countries,—in short a Glance at every circumstance in which the Merchant, the Manufacturer, the Trader, and the Citizen generally can take an interest.  
The Value of such a Publication must be tested by its accuracy. No pains will be spared to make it in that respect unexceptionable. Community, who are now obliged on the arrival of a Packet Ship or Steamer, to wade through files of Newspapers, extending, not unfrequently, over Fourteen or Sixteen Days, for information in which they are most interested, can hardly fail, in this Comp' d'oni of News, to find their labor abridged, and their wants and wishes immediately gratified.  
The European Times is not intended to supersede so much as to accompany, the more ponderous files of the London Daily and other Journals, to which it will act as a kind of pilot balloon; the condensation of every item of news will be apportioned to its relative importance, leaving the leaviness of the press until time and opportunity enable their readers to meander, without inconvenience, through their ample and voluminous pages.  
The European Times will be edited by a Gentleman long connected in an editorial capacity with the Liverpool Press. Parties who are desirous of bringing New Intimations, Works of Arts, or subjects of general

interest, under the eye of the American public, may address him personally, and depend upon his services.

The price of the European Times will be \$4 per Annum. All Orders to be addressed with remittances or reference for payment, to Messrs. Willmer and Smith's Express Newspaper Office, Church Street, Liverpool.  
Subscriptions will be received at all the Offices of Messrs. Harden & Co. in the United States.  
Communications for the Editor may be addressed to Mr. John Dugan, 5 South John Street, Liverpool.  
January 27.
