

George Hooper,

SURGEON DENTIST,

RESPECTFULLY requests the Ladies and Gentlemen of the city and its vicinity, that he continues to perform every operation in the line of his profession. He extracts, files, plugs, cleans and transplants teeth; restores the loss of teeth with artificial ones, that shall be useful, ornamental, and durable and give little or no pain to the patient.

Mr. H. attends Ladies and Gentlemen at their places of residence when required.

N. B. Mr. H. lives in the house of Mr. Wm. Hamilton, forming the corner of Lewis and Haldemaid Street, which leads to the Cape, directly opposite the Court House—Poor gratis.

Electricity,

BY J. LINDON,

MEDICAL ELECTRICIAN,

NEXT DOOR TO MR. CAREY AUCTIONEER.

MR. LINDON having the support and recommendation of the Gentlemen at the head of the faculty of this City, begs to inform the Public that he continues to receive all Patients laboring under the following diseases

Rheumatic, Apoplectic, and Paralytic affections;

Gout, Epilepsy, and Convulsions of every kind;

Deafness, Dropsy, and Consumption.

There is a rare ailment in which it will fail to effect a Cure if assisted by proper Regimen and Medicine; and where the latter are necessary the Family Physician is invariably referred to.

Ladies and Gentlemen desirous of experiencing the exhilarating, Braking, and Strengthening powers of the

ELECTRIC FLUID,

or of witnessing its extraordinary effects upon others, can attend any hour of the day.

Charge 25 Cts for every operation and for every separate person attending. Patients will be attended at their own residence if required.

GRAZING AND REARING OF CATTLE

THE Proprietor having from 200 to 300 pounds of stock would be happy to engage with any experienced Grazer possessing a like Capital, to undertake the purchasing and rearing of Live Stock for the Quebec Market, and superintend and direct the management of a Grazing Farm.
