Editorial Paragraphs.

We wish to draw special attention this month to the earnest appeal in *The Canadian Congregationalist* of 5th July for increased interest in and more extended circulation of THE LEAFLET.

In the same publication there appears a sketch of the M. F. Williams Hospital at Cisamba. The foundation for the central building has been dug and work begun.

We have further to ask that any of our readers who have books belonging to the Minnehaha Library will promptly return them to the Librarian, Miss Edith Cochrane, 294 Diamond Street, Montreal.

It is very desirable that every volume should be in its place in September.
