LABOR NOTES AND NEWS FROM ALL QUARTERS.

Interesting Items, Facts and Figures - A
Bird's-Eye View of the World
of Industry

CANADA

An explosion last week destroyed the
dynamite factory of J. F. Eaton, near
Hill, and about the whole Ottawa height
was shaken.

The Hamilton Board of Works has
passed a resolution reducing the hours of
labor of the employees of the department
to nine hours a day, to be paid at the rate
of fifteen cents an hour.

The Patron of Industry Lodge, at
North Tonawanda, has organized over
one thousand members. The Patroness has
a site for their mill at North Tonawanda,
and work it will be commenced shortly.

Above the subscriptions received by
the railway station at St. Thomas during
the past year were \$10,000 from Cornelius
Kingsley, of New York, \$10,000 from
Locomotive Works and Columbus Stocking
Company, Columbus, \$20,000 each.

The Montreal Builders' Labourers' Union
are to give a grand musical enter-
tainment in the Seminary Hall, 1,747
Mont Royal Avenue, on Saturday evening,
the 16th of April, the proceeds to go in aid
of their accident fund. A splendid musical programme has been
arranged.

Hamilton brick manufacturers have
a concern. They claim that a result of
this has been to bring with all difficulties
regarding bad-habits, etc., and by this saving
they made have been able to sell brick at
a lower cost per thousand than ever before. Bricks are sold now for \$20 a
ton, while in 1870 they cost \$30 a ton, when
the same bricks sold last year for \$7.
This year's price is \$15 lower than that
asked in Toronto. All which may or may
not be true.

PAINE JANSON, employed as a
porter with a private household at the
old Royal York Hotel, 100 Queen Street,
London, Janicosa was working
beneath an engine, when another came
through and nearly crushed him to
pieces. He has a family of six
children and a wife.

The Grand Trunk Railway Company
will shortly commence the erection of
rolling mills at Point St. Charles. Work
is to be carried on at the old site, and
it is intended to be completed by the
autumn.

The Grand Trunk, the Economic Board of
General Directors, and the Engineering
Department of the Rolling Mills
Company, have agreed to the scheme.

The building in which Janicosa was
at work, by which he was dragged along and
killed in a fearful manner, the ribs of
which side being crushed into the lung.
Dr. Macmillan, however, has little hope for
his recovery. He has a family of six
children and a wife.
