

WATER LANE DYEWORKS, BRADFORD, ENGLAND.

The Patent Permanent Silk Finish

ON

*By Her Majesty's Royal Letters Patent
Nos. 16,746 and 15,100.*

Cotton Italians and Linings.

The Superiority of Goods finished by this method is in

- 1st.—Appearance and touch scarcely distinguishable from the finest Satins.
- 2nd.—A brilliance and silkiness never before attained on Cotton Italians and Linings.
- 3rd.—Altogether exceptional strength and durability.
- 4th.—No deterioration in appearance however long the Goods may be kept in Stock, thus making them peculiarly adapted for shipment to far distant places.
- 5th.—The fastness, depth, and richness of colour in the Aniline Blacks, which is guaranteed unalterable.
- 6th.—The fastness of the finish, which will not go off under the Tailor's iron.
- 7th.—Its peculiar adaptability for all Lining purposes, Waistcoat Backs, Skirts, Corsets, etc., whilst the strength, brilliance, and permanence of the finish makes it of special value for Dress Foundations and Linings.

Goods finished by this process are absolutely cheaper than in ordinary finish, as the extra cost of finishing is far more than met by the improved value and appearance and greatly increased wearing qualities of the cloth.

CAUTION.—In order to secure the genuine finish, see that every piece is stamped with the above Patent Nos., as many worthless imitations are already being offered.

PATTERNS WILL BE SENT ON APPLICATION.
