

A Sure Money Maker On the Farm

When you buy a Cream Separator you cheat yourself if you don't get the machine that saves the most money for you. Cream repairs and oil all represent money. The

U. S. Cream Separator

holds the world's record for clean skimming. It will save you cream every day which any other separator would lose in the skim-milk.

Its substantial and simple construction insures extreme durability. It has no joints to work loose, no ratchet pin to break off, no exposed gears to be injured. With moderate care a U. S. will wear for years without repairs.

The working parts are so adjusted that they require little oil and waste none.

You can't make your cows pay as they should without a U. S. Cream Separator. Don't delay any longer, write for a free illustrated catalogue to-day.
