ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces a natural, quiet sleep by relieving the child from pain, and the little cherub awakes bright as a button. It is very pleasant to taste, soothes the child, softens the gums, allays all pain, kills the wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.
