

Poetry.

PASSING CLOUDS.

Where are the swallows fled?
Frozen and dead,
No chance upon some bleak and stormy shore.

Why must the flowers die?
Prisoned they lie
In the cold tomb fearless of tears or rain.

The sun has hid its rays
These many days!
While dreary hours never leave the earth?

Fair hope is dead, and light
Is quenched in night,
What sound can break the silence of despair?

LANGLEY'S ANTIBILIOUS APERIENT PILLS.

THE great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by pulling advertisements—no certificate published respecting them.

A MARVELLOUS REMEDY

FOR A MARVELLOUS AGE!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colic, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or any fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBU TIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Table with 4 columns: Bad Legs, Bad Breasts, Burns, Bunions, Bite of Mosquitoes, Sore Throats, Skin-diseases, Scurvy, Sore-heads, Tumours, Ulcers, Wounds, Yaws.
