HOLLOWAY'S PILLS.

THE blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. ALARMING DISORDERS.

ALARMING DISORDERS.

Dyspepsis, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alternative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general

debility.

All irregularities and aliments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild but intallible alternatives. No mother who regards her own or mer children's he alth should fail to have them within her reach.
