

THE KEELEY INSTITUTE

COMPANY OF ONTARIO, Limited,

Is operated under the direct authority of Leslie E. Keeley, M.D., LL.D., of Dwight, Ill., for the treatment of Inebriety and Narcotism, and is the only one in Ontario.

THE INSTITUTE is under the medical supervision of a physician fully qualified to practice in Ontario, and, by instruction under Dr. Keeley at Dwight, to administer the remedies as directed by him.

THE TREATMENT contains none of the injurious ingredients common to most other treatments, such as strychnine, atropine or apomorphine, therefore there is no nausea or depression in connection with it; on the contrary the patient improves in general health from the beginning. There is no forced confinement; patients can take as much exercise as desired.

THE RESULTS are complete and permanent.

THE BUILDING is easy of access and one of the finest in Canada, well built, well ventilated, sanitary and cheerful.

PHYSICIANS *can at all times visit their patients and keep them under their own observation.*

The Institute is open at any time to the full inspection of all physicians, who are cordially invited to visit us.

For full particulars and literature apply to
