**DOCTOR:**

Why do we advertise in this Journal? It is in order that we may be patronized by you, your family, and your friends next time you are in want of BEDDING. If you have not kept thoroughly posted on the subject of sanitary bedding, you may not be aware of the vast improvements which modern invention and improved machinery have made in the manufacture of MATTRESSES, SPRINGS and BED-STEADS. Can we interest you in this subject?

Our illustrated catalogue will be sent if you drop us a postal. A personal call will be much appreciated. The quality of our goods is endorsed by prominent men in your profession, not only in written testimonials, but by the fact that they bought from us, and being satisfied, bought again, and again.
