

things are about as usual. Both churches are anxious for a series of meetings. Interesting Bible Schools are in good working order in Meaford, Owen Sound and Derby. At Sister Doyle's the Owen Sound School spent a happy evening not long since. They had in abundance, such things as were pleasant to the eye and agreeable to the taste. Then singing, speaking and lively chit-chat caused the evening to pass off pleasantly and profitably.

In Meaford, on such an occasion recently, the Meetinghouse was filled with scholars, teachers, parents, friends, neighbours, &c., After several short speeches from different parties, of different creeds, they very generally participated in enjoying some refreshment. Then from the branches of a beautifully illuminated tree, was taken a small present for every scholar. The whole passed off most satisfactorily.

BROTHER LISTER,—I spoke awhile in Luther and Mimosa. One Baptism in each place. Good can be done in both localities.

JAS. BLACK.

BROTHER LISTER,—Spent last Lord's in Stouffville. On account of the inclement weather, the meetings were small. Had two immersions on Monday. If all be well, will visit them again soon.

Sad news touching the Grote Street Church, Adelaide. This once flourishing Church is now rent to pieces. It no longer exists. Cause. Conflict between "Elders and their supporters and those who adhere to the Evangelist."

OBITUARIES.

Brother Alex. McPhaderan and consort mourn the loss of NEIL, a promising son.

BRO. WITT, of Bowmanville, fell asleep in Jesus, and was buried on the 2nd of January.

For more than forty years our aged SISTER TROUT made the Kingdom of God invariably the first thing. But she has gone. When insensible to almost every thing else, the sweet name of Jesus would lighten up her soul. Thus:

"Friend after friend departs,
Who hath not lost a friend?
There is no union here of hearts,
That finds not here an end:
Were this frail world, our only rest,
Living or dying, none were blest."
