Notice to Contractors

A new and thoroughly revised edition of the *Canadian Contractor's Hand-Book*, consisting of 150 pages of the most carefully selected material, is now ready, and will be sent post-paid to any address in Canada on receipt of price. This book should be in the hands of every architect builder and contractor who desires to have readily accessible and properly authenticated information on a wide variety of subjects adapted to his daily requirements.

Price, \$1.50, to subscribers of the CANADIAN ARCHITECT AND BUILDER, \$1.00. Address

G. H. MORTIMER, Publisher,
Confederation Life Building, TORONTO.

TENDERS WANTED

Sealed bulk tenders will be received by the undersigned up to eight o'clock p.m. on Thursday, April 8th, 1897, for the various trades required in the

ERECTION OF A PUBLIC SCHOOL BUILDING

in the Village of Chesley. Plans and specifications can be seen at the office of M. A. Halliday, Secretary.

The lowest or any tender not necessarily accepted. Tenderers to state the price they will allow for the house situated on the school grounds.

M. A. HALLIDAY,
Secretary Chesley Public School Board.

CEMENT CONCRETE SIDEWALKS

Sealed tenders will be received by the undersigned until 7 p.m.,

Thursday, April 15th, 1897,

for the construction of about 40,000 square feet of cement concrete sidewalks in the Town of Galt.

A certified cheque for the sum of \$100.00 and the bona fide signatures of sureties must accompany each tender.

The lowest or any tender not necessarily accepted. Specifications and all information will be furnished on application to the undersigned.

A. J. McPHERSON,
Town Engineer.

Galt, March 27th, 1897.

SEWERS

NIAGARA FALLS, CANADA

Sealed proposals will be received by the Corporation of the Town of Niagara Falls, Canada, until 8 o'clock p. m. on

Monday, the 6th Day of April, 1897,

for the furnishing of all the materials and doing all the work necessary for the complete construction of Sections No. 3, 4, 5, 6 and 7 of the Niagara Falls Sewerage System.

The works to be built under these sections and the approximate quantities of the same are as follows:

Section 3:—About 735 feet of 15 inch, 1,190 feet of 12 inch, 2,146 feet of 10 inch and 9,044 feet of 8 and 9 inch Pipe Sewers.

Section 4:—About 360 feet of 18 inch, 1,083 feet of 12 inch, 470 feet of 10 inch and 3,976 feet of 8 inch Pipe Sewers.

Section 5:—About 2,361 feet of 15 inch, 255 feet of 12 inch, 370 feet of 10 inch and 2,190 feet of 8 and 9 inch Pipe Sewers.

Also about 769 feet of Brick Sewer, 24 x 36 inches, and outlet into the Niagara Gorge, consisting of shaft and tunnel in rock, pipe, chambers, etc.

Section 6:—About 1,129 feet of 12 inch, 1,222 feet of 10 inch and 4,080 feet of 8 and 9 inch Pipe Sewers.

Section 7:—About 550 feet of Brick Trunk Sewer, 4 feet by 6 feet, in deep cut

Including in these sections all the rock excavation and appurtenances required

Proposals may be made in bulk sum for all the sections or for one or any number of sections. Each proposal must be accompanied by a certified cheque for a sum equivalent to six per cent (6%) of the amount of the same, payable to the Treasurer of the Town of Niagara Falls, said cheque to be returned to the person making the proposal, unless he fail to execute the contract should it be awarded him.

A bond for an amount equal to forty (40) per cent of the estimated total cost of the construction of each section will be required by the Town of Niagara Falls for the faithful performance of the same, and the successful bidder for each section, before being awarded the contract, must appear before the Mayor with approved sureties for this purpose.

A certificate signed by the sureties must accompany each proposal.

Proposals shall be enclosed in sealed envelopes and addressed "The Town of Niagara Falls, Ontario, John Robinson, Clerk," and endorsed "Proposal for Section No. _____ Niagara Falls Sewerage System." (If more than one section is tendered for, the envelope must be so endorsed).

Plans, profiles and drawings may be seen, and specifications, forms of proposal, contract, etc., may be obtained at the office of the Engineer, Bridge Street, Niagara Falls, Canada, after Friday, March 26th, 1897.

The Corporation and the Sewer Committee reserve the right to reject or to recommend to be rejected, any or all proposals

CHARLES C. COLE, Mayor
WILLIAM COLE, Chairman of Com.
J. B. STEVENS, Secretary.
CHARLES H. MITCHELL, Engineer.
