

Business Notices.

The Cynic owes to a weakness for Haddies as well as bivalves. It is therefore with considerable satisfaction that he draws attention to Mr. McEwan's New Enterprise, advertised on the first page. There is no reason why Haddies cured at Campo Bello should not be as good as those cured at Portland, and it will add considerably to the enjoyment of these delicious fish to know that the Campo Bello Haddies are put down in Montreal free of duty.

Mr. Crawford, of the West End Grocery, and Messrs. Kemp & Brown, of McGill Street, likewise advertise Dominion cured Haddies. Mr. Crawford also announces the receipt of old-world delicacies in a way calculated to make one's mouth water.

Attention is drawn to the advertisement of the CANADA LIFE COMPANY'S MEMORANDUM, which speaks volumes for the stability of the Company and the confidence of the public in its management; also to the card of the TRAVELERS' INSURANCE CO., OF HARTFORD, (CONN.) which, besides aspiring to a considerable Life business in the Dominion, makes a speciality of "accident" insurance—in this respect fulfilling the functions of a Benefit and Annuity Society—a most valuable feature, which ought to commend the TRAVELERS' to the patronage of the prudent public.

The Cynic does not use Hair dye, but he knows a friend who does—and said friend is loud in praise of a mysterious dye just introduced by Mr. H. R. Gray, of the Main Street. See advertisement on first page.

Messrs. Bowie & Co. advertise a great cheap sale of Dry Goods.—Messrs. Rice Bros. invite attention to their New Styles of Paper Collars, Cuffs, &c.—Mr. D'Arignon solicits customers for Perfumes, "Patent Rubber Sponge," and other toilet requisites; and Mr. Mellow for Gold and Hair Jewellery, of which he has a splendid stock on hand.

That indefatigable Athlete, Mr. F. Barnham, notifies the resumption of his classes at the Gymnasium, 19 University Street. The Cynic wishes him a prosperous session.

The necessity for a Canadian Express Company has long been felt by the Mercantile, Banking, and other interests in the Dominion. To carry out in an effective manner this long wished-for desideratum, a Charter for a Company to extend its operations throughout the whole Dominion was granted at the first session of Parliament at Ottawa.

Stock-books will be opened immediately in the various cities, towns and villages throughout the Dominion, so that the stock may be apportioned as nearly as possible to the business of the locality; and in order that the stock may be fairly distributed, the following resolution has been passed by the Board: "That no person shall be allowed to hold more than 100 shares of the capital stock of the Company in his, her or their name, without the permission, in writing, of the Board first having been obtained."

Any person intending to be an applicant for an agency (if approved), will have a stock-book furnished him for his locality on application to the Secretary.

DIOGENES.

The Proprietor is happy to announce that arrangements are being made for the illustration of DIOGENES in the first style of art, both as regards Designing and Engraving. In the course of a few weeks, it is hoped that DIOGENES will be the best illustrated, as it is now the best printed paper in the Dominion of Canada.

In an early number will be commenced a

History of the Events
of 1837 & 1849,

written in a broad vein of humour by an actor in the scenes he has undertaken to describe. The recital cannot fail to be interesting as well as amusing, and it is believed it will throw a new light on many subjects hitherto imperfectly understood or purposely misrepresented.

New contributors have been secured with a view to giving additional zest to the Cynic's pages, and no pains will be spared to render the paper in every way deserving of the liberal patronage accorded it.
