

ZOEDONE. A Delicious Beverage.

The BRITISH MEDICAL JOURNAL says:

"We can confidently recommend it to the attention of physicians and others who are occasionally at a loss what to direct their patients to take when parched by feverish thirst or depressed by exhausting ailments..."

A BRAIN AND NERVE TONIC.

The LANCET says: "ZOEDONE contains the soluble phosphates of lime, iron, soda, and potash in medicinal quantities. Very efficient and pleasant."

NON-ALCOHOLIC. STIMULATES BY STRENGTHENING.

CAUTION.—Dealers should be on their guard against numerous imitations of ZOEDONE, put up in the same style and offered as substantially the same article.

Every Chemist that has introduced ZOEDONE has found a large and regularly increasing sale for it.

It is put up in Champagne Bottles, and there is no trouble with empties, as the bottles are included in the price.

HOME NEWS.

It is estimated that 25,000 people attended the Exhibition in Halifax.

The Dominion contains tens of thousands of natives of the United States.

The receipts for admission to the Halifax Exhibition amounted to over \$5,000.

The total assessment of Toronto is \$56,296,939—an increase over last year of \$2,126,436.

Charcoal and iron works are to be established at Kingston, Ont., with a capital of \$50,000.

Hon. Edward Blake has retired from the practice of his profession, and handed over his law business to his brother, the ex-Vice-Chancellor.

The St. John Scott Act petitions were mailed for Ottawa all right on Thursday.

The great scarcity of potatoes in Western Ontario and the good crops in this vicinity, has led to an Ottawa buyer getting a commission to purchase 500,000 bushels for shipment to Toronto.

The steel works will soon be in active operation at Smelt Brook, near New Glasgow. The glass works are doing an excellent business, and it is said they have more orders than they can fill.

Although the Halifax Exhibition, as a Provincial show, was a very creditable exhibit, it in no way partook of a Dominion character, except in the name, there not being a dozen exhibitors outside the Maritime Provinces.

The amended articles for a three mile boat race between Ross and Hanlan were signed by Ross to-day.

The customs receipts at Halifax last month amounted to \$209,431.60, against \$156,478.63 for the same month last year.

It is estimated that the cost of President Garfield's illness will not be short of \$250,000; the doctors alone are to receive \$100,000.

Beans. Ladies, you cannot make fair skin, rosy cheeks and sparkling eyes with all the cosmetics of France, or beautifiers of the world, while in poor health, and nothing will give you such good health, strength, buoyant spirits and beauty as Hop Bitters.

4 KENT ST., Halifax, 14th May, 1881. To Holman Pad Co., Halifax: GENTLEMEN,—I suffered with a cough for years, upon which no other remedies seemed to have the slightest effect, and which so reduced me that I thought nothing could save me.

THE COMMON EXPRESSIONS, "I feel so dragged," "My Food don't Digest," "I don't feel fit for anything," which we so often hear during the Spring and early Summer months, are conclusive evidence that the majority of people require at that season especially a RELIABLE medicine that will strengthen the organs of digestion, stimulate the circulation of the blood, and "tone up" the debilitated constitution.

HANINGTON'S "QUININE WINE AND IRON," taken according to directions, produces buoyancy of spirits, vigor of mind, and gives lasting strength to the whole system.

Rest and Comfort to the Suffering. "BROWN'S HOUSEHOLD PANACEA" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Soar Throat, Rheumatism, Toothache, Lumbago, any kind of a Pain or Ache.

Consumption and Wasting Diseases.

L. de Bremon, M.D., Knight of Legion Honor, in his work on Consumption, says: Dr. CHURCHILL, of Paris, never mixes Iron with either of the Alkaline, Lime and Soda Hypophosphite Salts.

He considers the nature of Hypophosphite objectionable, preferring in fact the Salts separate, giving them alternately according to the Physiological or Pathogenic symptoms produced by either. He also says that the Hypophosphite Salts as sold are generally impure.

EAGAR'S PHOSPHORINE contains PURE HYPOPHOSPHITES with NORWAY COD LIVER OIL only. It is free from Iron or any other chemical which will account for its superiority to all other preparations offered for Wasting Diseases.

Read below the certificate of Dr. Slayter, DATED JANUARY 1881. The proprietor also has certificates from leading physicians in Toronto, St. John, Halifax, &c., of equal value, proving conclusively that Eagar's Phosphate or Cream is the greatest preparation now in use.

Second Certificate from Dr. Slayter: Halifax, Jan., 1881. Since giving you my last certificate I have had many opportunities of further testing your Cod Liver Oil Cream, and as well of comparing its action with the EMULSIONS AND PREPARATIONS OF OIL IN THE MARKET.

I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oil being of the every finest quality, while the facilities and machinery used for mixing them are of the most perfect kind.

I have no hesitation in stating that where Oil is indicated EAGAR'S CREAM WILL BE FOUND TO BE EVERYTHING THAT IS CLAIMED FOR IT BY ITS PROPRIETOR.
