

PARAGRAPHIC.

PARTING WITH FRIENDS

Is one of the sad necessities of life, and often mark life's milestones as we travel the path from the beginning to the end. Strange, to say, Dr. Scott Putnam has discovered a means by which old time friends are separated and that for all time, Putnam's Painless Corn Extractor, promptly, painlessly and with certainty separates the oldest and most strongly cemented corns, that can be found. It cannot fail for Putnam's is sure, safe and painless. Beware of an article "just as good," and take only Putnam's Painless Corn Extractor.

The three reasons which a good woman presented for objecting to a preacher were striking ones. She said that, in the first place, he read his sermon; in the second, he did not read it well; and, in the third place, it was not worth reading.

But one opinion prevails throughout the world, and that is so strongly in favor of Perry Davis' Pain-Killer, that no other article ever attained so wide spread popularity.

To make wine jelly without boiling, use one package of gelatine, one pint of cold water, the juice of three lemons and rind of two, and a stick of cinnamon; let it stand an hour, then add one pint of wine, one pound of white sugar, and three pints of boiling water; strain it into your moulds; a wine-glass of brandy improves it.

Horseford's Acid Phosphates.
AS A REFRIGERANT DRINK IN FEVERS.
Dr. C. H. S. Davis, Meriden, Conn., says: "I have used it as a pleasant and cooling drink in fevers, and have been very much pleased with it."

A cup of strong coffee will remove the odor of onions from the breath.

The importance and value of *Johnson's Anodyne Liniment* to a family cannot be estimated in dollars and cents. It is both for internal and external use and will prevent and cure diphtheria and all dangerous throat and lung troubles.

Well ventilated bedrooms will prevent morning headache and lassitude.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites.—Is especially Useful for Children's Diseases as it acts both as food and medicine. It not only gives flesh and strength by virtue of its own nutritious properties, but creates an appetite for food that builds up the wasted body.

Never let the tea boil.
For rough hands use lemon juice.

THE Season for HOUSE CLEANING is nigh at hand, for which purpose there is nothing so effectual and convenient as James Pyle's Pearline.

The wrapper is about all the value there is to the large packs of horse and cattle powders now sold. If you want a strictly pure article get Sheridan's. They are immensely valuable.

Genuine cod-liver oil gives, with aqua regis, a dark, greenish-yellow liniment which becomes brown in half an hour. White seal oil, and even a mixture of equal parts of that oil and cod liver oil, give merely a pale yellow liniment.

The unanimous verdict of the druggists, both wholesale and retail, throughout the Dominion is, that **DR. SMITH'S GERMAN WORM REMEDY**, or **Wormerine**, has the largest sale, and gives the most perfect satisfaction of any worm preparation they have ever handled.

The valuable alloys of copper and cobalt are obtained by melting in a crucible metallic copper and cobalt under a flux composed of boric acid and wood charcoal. They have a red color and a fine silk fracture.

Physicians having Consumptive patients, and having failed to cure them by their own prescriptions, should not hesitate to prescribe **Allen's Lung Balsam**. It has cured cases where all other remedies have failed. It is harmless to the most delicate child.

Putner's Emulsion.
CONSTITUTIONAL CATARRH CURED.

I have had occasion during the past two years, to use, in my family, the medicine generally known as "PUTNER'S EMULSION OF COD LIVER OIL, &c."
Our baby up to the age of four months was so ill and emaciated with constitutional catarrh, as to give no hopes of her recovery, at which time we began to administer the Emulsion, and continued with small doses for a year. She is now two years old, quite active and vigorous, talks and runs, has out most of her teeth, had the measles, and is cured of Catarrh.
Other members, old and young, of the family, have taken the medicine for different diseases, and it has done good in every instance.
I consider it effective for the cure of coughs, general debility, and any disease that can be cured by building up the system.
I have freely recommended its use; and its beneficial effects have been reported to me by many of my acquaintances who have been induced to give it a trial.
I consider it as far in advance of pure Cod Liver Oil, as the "Oil," years ago was in advance of the old method of treating Consumption. Yours truly,
J. PARSONS,
Attorney and Barrister.
