A society has revealed itself in England called the 'Proportionate Giving Union.' The members give a fixed part of their income to charitable works.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

The greatest wrongs people commit against each other are those of which they are not conscious.

DIPHTHERIA.—To cure diphtheria use Minard's Liniment freely on the throat. Spread on brown paper or fat pork, put a teaspoonful in one gill of water, gargle the throat often and take ½ teaspoonful in a tablespoonful or molasses every 8 hours, giving Minard's Family Pills according to directions.

Examples have been found in this country of kyanized timber which was in a good state of preservation after 28 years' exposure, but it seldom lasts a very long time when used for railway sleepers.

CRYING FOR AID.—Loss of appetite, headache, depression, indigestion and biliousness, a sallow face, dull eye and a blotched skin are among the symptoms which indicate that the liver is crying for aid. Minard's Family Pills stimulate the liver to proper action and correct all these troubles. No family can afford to be without Minard's Pills.

Prof. Thurston says: 'The assumption seems fair that the locomotive engine will have been superseded when we double our speeds, and that we must find ways to utilize the weights of the cars themselves for adhesion and to make each to carry its own motor.'

REWARD offered to any person shewing a case of headache, toothache, cramp, bruise, sprain, cough cold, croup, quinsy, hoarseness, burns, or numbness of the limbs that can not be cured by Minard's Liniment. It is good as a gargle in diphtheria and ulcerated throat, and is perfectly harmless when given according to directions.

A fashionable hair dresser observes that it is work to dress the hair of a girl of 15, pleasure for one of 25, and art for one of 35.

A man is glad to be assisted in a great many things he does, but if he has a pet story to relate he never feels kindly toward the man who helps him tell it.

A SURE REMEDY FOR NEURALGIA.

Neuralgia is one of the most common and painful affections incidental to this climate. Life to thousands is made very miserable through its agency, and as it affects the nerves, only the most powerful and penetrating remedies can reach it. Nerviline has created wonder in the minds of those who have uselessly tried other remedies, since its action seems magical. To all suffering from any kind of nerve pain, internal or external, we request a trial of Nerviline. Sold by all dealers in medicine, 10 and 25 cents a bottle.

A man may forget his business, his family, and all the sacred obligations of a life, but the terrible pains of neuralgia, rheumatism, lumbago and sore throat can only be forgotten after using freely of Minard's Liniment. It cures like magic.

Brazil is larger than the United States; but in the whole 20 states which make up the republic there are not as many people as in New York and Pennsylvania.
