Will be ready on the 20th of March, (NEW AND REVISED EDITION,) THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Count de Montalembert.

The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The translation has been read over with the French copy and carefully corrected.

Of the merits of the work, we can safely say, that no biography ever issued from the American Press equals it—it is as interesting as a romance.

The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert. Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage."

"The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of the dear St. Elizabeth, (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'"—American Cult.

"We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. We cheerfully recommend the work to our readers."—Pittsburg Catholic.

"This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work. Montalembert is one of the lights of the age—a man who combines rare power of intellect, with unwavering devotion to the cause of liberty and the Church. Let every one who desires to study the spirit of the Middle Ages, read this book."—Catholic Telegraph.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pastures a Remedy that cures EVERY KIND OF HUMOR.

From the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor). He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of boils. Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism. Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

DIRECTIONS FOR USE.—Adult, one tablespoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed.

For Scald Head, you will cut out the hair of the affected part, apply the Ointment freely, and you will see the improvement in a few days.

For Salt Rheum, rub it well in as often as convenient. For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.

For Scabs: these commence by a thin, acid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.

For Scrofula: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.

This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 2s 6d per Box.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855. DR. J. C. AYER: I do not hesitate to say that the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL.

MR. MORTLEY, Esq., of Uxbridge, N. Y., writes: "I have used your PECTORAL in my family for several years, and I have never known it fail to give relief in any case of Croup, Whooping Cough, or Influenza."

AMOS LEE, Esq., MONTREAL, L.A., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, Pa., Feb. 4, 1856. Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of Consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

A. A. RAMSEY, M. D., ALBION, MONTROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.
