WOME EVIDENCE. Mr. R. Rugal, Chemist and Druggist, Orown street,

Quebec:
Sir, I send you the following certificate attesting the efficacy of BBRISTOL'S SARSAPARILLA:
Result of a Siow Fever-I certify that on the 19th
March, 1860, my son, nine years old, was obliged to
keep his bed for the above sickness. I employed the best doctors, who took him under their charge for two years, without affording relief. Last spring I commenced to give BRISTOL'S SARSAPARILLA, and from the moment he began taking the remedy a rapid improvement took place, and at present be can walk with facility. I therefore advise all persons suffering with similar maladies to try BRIS-TOL'S SARSAPARILLA

doubtedly achieved a success in this country which is without a parallel in the history of the toilet. Its popularity overshadowed that of the finest perfumes imported from Germany, France and England. Nor is this popularity to be attributed to its comparative cheapness so much as to intrinsic superiority. The fabric impregnated with it exhales the incense of the most odoriferous tropical flowers. The fragrance is as fresh as if it flowed from the dewcharged bloseoms of a land whose spicy atmosphere is alike celebrated by the poet and the historian Nor is this odor evanescent. On the contrary, it clings to the handkerchief, as if incorporated with its threads. Diluted with water it is admirable as a month wash after smoking, and as a counter-irritant after shaving.

How wery Astonishing. - That so many people annually die with consumption. Do you know that a slight cold is often the foundation of this insiduous disease, and that a single bottle of Down's Vegetable Balsamic Elixir will cure a dozen slight colds. Delay is death! Procrastination is more than a thief, it is a murderer. The worth cases may be cured by the timely use of the Elixir. Keep a bottle on hand for family use. John F. Henry & Co. There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly Ceveloped, of the above symptoms - a neglect of which might DD CHE lead to the last named, and most to be dreaded disease in the whole catalogue The power of the 'medicinal gum' of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

Fowle & Co., Boston-Gentlemen,-Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms inpany each bottle. It creased alarmingly, and so reduced was I that I may be used for could walk but a few steps without resting to recov steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsum can but speak in its favor. It is a preparation which has only to be tried to be acknow-

ledged as the remedy par excellence. Your obedient servant, L. J. RACINE.

We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was great!y relieved, and in less than three days was entirely cured, and is now well.
