medical authorities and judges of Tea, have been pronounced to be quite pure and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on the receipt of the order by mail containing money, or the money can be collected on delivery by express man, where there are express offices. In sending orders below the amount of \$10, to save expense it would be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea.— We warrant all the Tea we sell to give entire satisfaction. If they are not satisfoctory they can be returned at our expense.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are of a truly marvellous character. Inveterate cases of Scrofula, where the system seemed utterly given up to corruption, have yielded to this compound of anti-strumous virtues. Disorders of a scrofulous matter, have been radically cured in such numerous instances, in every settlement in the country, that the public do not need to be informed here that it is in most cases a specific and absolute remedy.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and insites the attack of enfeebling or fatal diseases, without exciting a suspicion or its presence. Again, it seems to breed infection throughout the body, and then, on 'some favorable' occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercies may be suddenly deposited in the lungs or heart, or tumors formed in the liver. These facts make the occasional use of the Sarsaparilla as a preventive, advisable.

It is a mistake to suppose that so long as no eruptions or humors appear, there must be no scrofulous taint. These forms of devangement may never

It is a mistact of suppose that is also study as not entitions or humors appear, there must be no scrofulous taint. These forms of derangement may never occur, and yet the vital forces of the body be so reduced by its subtle agency, as materially to impair the health and shorten the duration of life. It is a common error, also, that scrofula is strictly hereditary. It does, indeed, descend from parent to child, but is also empendened in persons born of pure tary. It does, indeed, descend from parent to child, but is also engendered in persons born of pure blood. Low living, indigration, foul air, licentious habits, inicleanliness, and the depressing vices generally, produce it. Weakly constitutions, where not fortified by the most constant and judicious care, are peculiarly liable to it. Yet the robust, also, whose turbid bloodswells the veins with an apparently exuberant vitality, are often contaminated, and on the road to its consequences. Indeed, no class or condition can depend on immunity from it, nor fuel inschisible to the importance of an effectual remedy.

it, nor feel insensible to the importance of an effectual reinedy.

In St. Antihony's Fire, Rose or Erystpelas, for Tettyr, Salt Rheum, Scald Head, Ringworm, Sore Ears and Fyes, and other cruptive or visible forms of the diseases caused primarily by the scrothlous intection, the Sarsaparilla is so ci-ficient as to be indispensable. And in the more concented forms, as in Dyspensia, Dropsy, Heart Disease, Fils, Epitopsy, Neuralgia, and other affections of the miscular and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces a stonishing cures.

Sarsaparilla, through its purifying power, removes the cause of the disorder and produces a stonishing cures.

The sarsaparilla poot of the tropics does not by itself helicive these results. It is aided by the extracts combined with it, of still greater power. So potent is this union of healing virtues, Syphilis or Fancieal and Margarial Diseases are cured by it, though a long time'is required for subduing these obstinate mandles by any medicine. Leucorrhwa or Whites. Uterina Uterrations, and Familie Diseases in general, are commonly soon relieved and ultimately cured by the invigorating and purifying effect of our Sursaparilla. Rheumatism and Goirt, often dependent on the accumulations of extrancous matters in the blood, have their remedy also in this medicine. For Liver Complaints, torpidity, inflamination, abeess, etc., caused by rankling poisons in the blood, we unhesitatingly recommend the Sarsaparilla.

This medicine restores bealth and vigor where no specific disease can be distinguished. Its restorative power is soon felt by those who are Lanquid, Listics, Despondent, Steeplesa, and filled with Nervous Apprehensions or Fears, or who are troubled with any other of those affections symptomatic of weakness. Many, after taking it for General Debillity, have written us of the youthful vigor imparted to their nervous system, which seemed buoyant with that prolific life they, thought had departed on the advance of age. Others, whose fountains of life were always sterile, acknowledge their obligations to it for an obvious change.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Biliout Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zine, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the aqua districts, are literally beyond account, and we believe without a parallel in the history of medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasmatic localities, will be pretected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

Propured by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass, and sold all round the world.
