The British Empire Insurance Company, Ltd., incorporated June 17th, 1910, has taken on the business of the British American Live Stock Association, Limited, of Vancouver, incorporated May, 1907, and being a dividend payer from the first. The shareholders in each of the above have taken shares in the new Company, and it is intended that the business of both will be transferred to the British Empire Insurance Company. The authorized capital is \$500,000, the balance of \$250,000 dollars is now being placed in the market at \$110 per share, through the Canadian Guarantee and Commercial Agency, Limited, the official brokers.

The old company has now an agency force covering the territory from Manitoba to the Coast capable of producing \$500,000 worth of business per annum, which, with the addition of fire, hail and other kinds of insurance which the already established agent can handle, gives this company a great scope for business, and by its fair dealings the management of the parent company enjoys a splendid record for integrity and business ability, and to these the success of the old company is due. The "British Empire," therefore, under the same management, and with the same field force, is a "going concern" and should prove a success from the outset.
