

## A TEACHER'S EXPERIENCE.

## A SIEGE OF LA GRIPPE, AND WHAT FOLLOWED.

The Principal of the Clementsport, N.S., Academy Tells How He Rid Himself of the After Effects of this Insidious Disease—Good Advice to Others.

From the Annapolis, N.S., Spectator.

On a number of occasions the Spectator has heard of remarkable cures being made throughout the county of Annapolis, by the use of Dr. Williams' Pink Pills, but for a time paid no attention to the matter, thinking it was a mere whim that such a small thing could work so much good. Case after case was brought to our notice, until at last we felt it necessary to look into the matter, and see if there was any truth in the statements made about the Pink Pills. Hearing of a remarkable cure in Clementsport, a reporter of the Spectator drove to that picturesque little village to see the person that spoke so highly of this medicine.

Mr. W. A. Marshall is a young man well known throughout the county. He has taught school in Maitland and Upper Clements, and last August accepted the principalship of the academy at Clementsport. Mr. Marshall is a man of upright character and sterling integrity, and what he has to say on any subject can be believed.

Mr. Marshall was asked by the Spectator man if there was any truth in the current reports that he had proved Dr. Williams' Pink Pills to be a very valuable medicine. "Yes," said Mr. Marshall, "I have a good word to say for anything that has done so much for me as has Pink Pills." "I was troubled," said Mr. Marshall, "ever since I had la grippe a few years ago, with a terrible headache and backache, and at times the pain was so severe I hardly knew what to do. Time did not decrease the pain, although I tried several things that were guaranteed to cure. About nine months ago I resolved to give Dr. Williams' Pink Pills a trial, so I purchased a box from the Annapolis Royal Drug store. At the end of the first box I did not feel much relieved, so I got another one. After I used the second box I felt much better, and concluded to keep on using it. I was made a well man. I have now used seven or eight boxes, and my cure is now complete, and I am as strong as before my sickness, and I strongly recommend Pink Pills for all those so afflicted.

Now, this testimonial of Mr. Marshall is worth a great deal in the county of Annapolis. His reputation as a man would be at stake, and all our readers can be assured he would guarantee no such medicine unless he could conscientiously do so. What is Mr. Marshall's case is the case of a great many others. There are scores of people so afflicted, but they know not what to do. If they follow the principal of Clementsport's advice they will give the Pink Pills a trial, and there is little doubt of the result.

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitis' dance, nervous headache, nervous prostration and the tired feeling therefrom, the after effects of la grippe, diseases depending on tumors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and fallow complexions, and are a specific for the troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

Bear in mind Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you, and should be avoided. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y., at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

## CATHOLIC NOTES.

The Pope will shortly receive in solemn audience the Grand Duchess Catherine of Russia. Some importance is attached to the audience, as it comes at a time when so much is said about Russia and the Pope.

Mgr. di Calabiana, Archbishop of Milan, is dead. The deceased prelate was born in Savignano in the archdiocese of Turin in 1708, appointed to the see of Casale in 1847, and promoted in 1867. He was an Italian senator and wore the collar of the Annunziata.

The Most Rev. Dr. Melizan, O.M.I., has sent out from France to the Catholic Messenger, of Colombo, Ceylon, Asia, a new printing press which cost \$500. The editor announces that he will now be able to print the Singapore version of the Four Gospels made by Rev. Father Chouanavel, O.M.I.

The Catholic Congress of Naples, which was to have taken place this month, but which was adjourned on sanitary grounds, has been definitely fixed for the 15th of February next. Its opening will coincide with the fete of our Lady of Lourdes. The members of the congress will make a pilgrimage to Rome.

Most of the gentlemen who passed the following resolution are probably members of the Orange Society: "Resolved, That the members of the Canadian Institute desire to tender to the Rev. A. G. Morice, O.M.I., their cordial thanks for the learned and able paper he has contributed to the Institute on the Dene Indians and their languages, and to express their high appreciation of the zeal and industry displayed in the preparation thereof, and of the very great service thereby conferred upon the scientific world—especially in the department of comparative philology. The Institute orders the paper to be printed in its transactions, and begs the talented author to accept a number of copies for his own use."
