

WHAT IS CATARRH ?

From the Mail (Can.) Dec. 15.
 Catarrh is a mucopurulent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are:—Morbid state of the blood, as the blighted corpuscle of urticaria, the germ poison of syphilis, mercury, toxomocia, from the retention of the effeted matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostril, and down the fauces, or back of the throat causing ulceration of the throat; up the eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness, and usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death.

Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue. So no time since a well-known physician of forty years' standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers,

TESTIMONIALS.

MONTREAL, QUE., Nov. 15th, 1883.

I hereby certify that I have analyzed and tested the material called "White Bronze," manufactured for monumental purposes by the St. Thomas White Bronze Monument Company, and I find it composed, as represented, of Refined Metallic Zinc, of a very superior quality to sheet zinc, and almost absolutely pure. Its great durability under all exposure to weather and storm is therefore fully assured by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and indefinite durability.

A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. I have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public. E. F. HARRIS."
 River St., Buckland, Mass., May 13, 1882.

SALT RHEUM. GEORGE ANDREWS, overseer in the Lowell Carpet Corporation, was for over twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by AYER'S SARSAPARILLA. See certificate in Ayer's Almanac for 1883.

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.

Guizot's

Also a CHEAPER EDITION, just issued, in 8 volumes, large 12mo., with 64 Fine Illustrations, otherwise the same contents as the other edition. Paper, press-work and binding all first-class. Bound in fine cloth; price of the set, \$5.00; postage 60 cents.

This is the only complete American edition of this magnificent work, which is known as the best popular history of France. The

\$36.00 cost of the imported edition, with substantially the same illustrations is Reduced to \$5.00

\$36.00, and the cost of the only other American edition (which is incomplete, coming down to, and NOT including even the French Revolution, and of course not the wars of Napoleon) is at the time of this announcement \$33.00, while THIS is commonly considered the BEST for the library.

"The matchless brilliancy of Guizot's style, his graphic descriptions of men and events, his painstaking minuteness of detail, the lucidity and ease of his style and the admirable philosophic reflections, all combine to render it worthy of the description it bears as the most popular history of France. It is as fascinating as a novel, and as life-like as a theatrical representation of the events and personages it describes. How the set can be sold for that price remains, after much reflection, a mystery, for the work is not sham work, it is well done; altogether it is a marvel of cheapness. Mr. Alden has done much for the cause of good literature, but nothing better than this."—Daily Times, Buffalo, N. Y.

"It is far the best history of France that has been written. It is a wonder of cheapness."—Christian Advocate, Richmond, Va.

"What Victor Hugo is in fiction, Cousin in philosophy, Guizot is in history. Among Frenchmen he had but few peers."—Christian Leader, Boston, Mass.

"Such a history, by such a writer, and at such a price, should gain readers by the thousand."—Churchman, Richmond, Va.

CELEBRATED HISTORY OF FRANCE, from the Earliest Times to 1848. By M. GUIZOT, Prime Minister of France, continued from his notes, by his daughter, MME. GUIZOT DE WITT. Complete in 8 vols., small octavo, large type, bound in fine cloth, beveled boards, gilt tops. Per set, \$8.00; postage \$1.20.

France

"In style of cover, firmness of binding, quality of letter-press, affluence of illustration, and lowness of price, this edition of one of the noblest historical works in existence, is one of the most remarkable publications now offered to the public."—Star, Dover, N. H.

Seven Great Monarchies

Of the Ancient Eastern World. By GEO. RAWLINSON. Chaldea, Assyria, Babylon, Media, Persia, Parthia, and New Persian Empire. In three large 12mo. volumes, large type, with notes, index, and over 700 illustrations and maps, bound in fine cloth, gilt tops. Price reduced from \$18.00, to \$3.00; postage 42 cents extra.

"No better specimens of book-publishing could be desired than the volumes of Rawlinson and Guizot which Mr. Alden has issued."—The Mail, Toronto, Canada.

"Then there is Guizot's admirable and fascinating 'History of France,' in eight nicely made and well illustrated volumes, with good print and gilt tops. But, in our judgment, the best bargain of all is his three-volume edition of Rawlinson's notable work, 'The Seven Great Monarchies.' Professor Rawlinson has no equal as a historian of the ancient Eastern Empires to which he here introduces us. We stand far back at the beginnings of history, and those strange Oriental peoples, and their habits and customs, their lives and deeds, transpire before our very eyes. At his magical touch the dead arise and recount the story of their time. These books are full of illustrations which illumine the text. They are well-made, thick books, on good paper, with good maps, and gilt tops. Once, these volumes, the same text, maps, and illustrations—sold for \$18."—Golden Rule, Boston.
