Sir Arthur Currie.

15 September 1930.

10 paper bound copies with the McGill University Publications imprint. If he will notify me at once on this point I can have the imprint made on original copies. In this case he will, of course, furnish me with the addresses to which he wishes the copies sent and say whether he would like them mailed from London or sent direct to Montreal en masse for distribution there.

I am mailing Dr. Lomer a copy of this letter.

With best regards,

Sincerely yours,

Casey A. Wood

CW/LB.
