

CARLETON.

The collection in this Parish amounts to £10 15s., including Mr. Wheeler's annual subscription for 1845.

SUSSEX VALE.

Rev. H. M. Arnold has forwarded a collection in his Mission of £4 17s. 6d. towards the general purposes of the Society; and requests Prayer Books, Testaments, and Tracts for the remote districts of his charge. He expresses his own best wishes that success may attend the Society in all its exertions to promote the cause of God and His Church.

BATHURST.

The Rev. W. F. Russell regrets that the contribution from his Mission is not greater. He has occupied his Mission but a short time, and has had to contend with unfavorable circumstances. The contributors at Bathurst desire to form a Parochial Library. At Dalhousie the greatest requisite is a Church, which the people are willing to do all in their power to erect. He will himself hand over the money to the Treasurer about the first week in March.

Mr. Barberie is the Delegate to the General Committee from Res-tigouche; and Mr. Desbrisay and Mr. Carman from Bathurst.

SACKVILLE.

The Rev. John Black writes, that he has been prevented by severe indisposition from making his return in time, but has inclosed the contribution of this Parish to the Hon. A. E. Boisford, its Delegate to the General Committee. The Parish of Dorchester has been so pressed by local wants that it has not been deemed advisable to attempt any collections there this year. That Parish has lately purchased an Organ for the Church, and the Church is about to be enlarged.

SAINT STEPHENS.

The Annual Meeting of this Committee was held by adjournment on the 28th January, when after the opening prayers by the Rev. Mr. Disbrow, the Rev. Dr. Thomson, the Rector, addressed the meeting. In the course of his address he shewed the great and successful exertions for the diffusion of the Gospel and the knowledge of Christian truth made by the great Church Societies at home, and the necessity on our part to aid in the work: he congratulated the meeting on the near prospect of having a Bishop to preside over the Church in this Province, paying a well merited tribute of respect to the Bishop of
