STAGE FRIGHT SPOILED SCORES

Athenaeums Started Well, But
Fell Away at End—
The Toledo
Scores.

TOLEDO, March 11.—(Special.)—The Athenaeums of Toledo with a 2885 score were second in the first round of five men teams in the A.B.C. tournament here tonight. The Canadas failed to land in the first division by a margin of 46 pins. Nagel's Colts, another Toronto team, scored 2738 for three times. The failure of the Canadian quintet to break into the elite class is due to a big slump in the final game, when they scored but 353 pins.

The Brunswicks of New York, last year's champions, were the big attraction in the first game, but the champions slumped and attention was diverted to the Athenaeums, who had set up a 940 score.

With a chance to break into the first class after their flying start the Canadas spiraled and scored 1092 pins in the second game. The large crowd gave them a tremendous cheer and urged them to repeat in the next game.

In this session, the tremendous strain began to tell on the Canadian pin knights and they lost their accuracy, missing many spares. They were strong in the early frames of the final game, but gradually weakened until they dropped to the 883 point at the finish. The score came as a big disappointment to the fans.

In the first game McMillan, the lead off man, finished high with a count of 187 pins. He missed an easy shot in the second frame, missing the 10 pin by a fraction of an inch. After the miss he turned in a triple and in endeavoring to set up four strikes in a row he hit the lead pin full in the sixth frame. In the eighth and ninth frames he chalked up two more strikes.

Johnson, the second man in the list, drew a miss the third frame and followed with a curve strike in a row, missing in the sixth frame. In the final game, in it with a triple. A. Sutherland, after endeavoring to pull his score over the 200 mark he ran into a split. His score as the finish was 180.

A split in the third frame and a miss in the seventh frame pulled Karry's score below the 200 count. He finished with 193. E. Sutherland, the anchor man, turned in 130 with a miss in the third frame.

In the second game the Toronto men turned loose the strike ball. They found the groove at the very start, every man on the team beginning with a mark.

McMillan, the lead-off man, kept his ball in the pocket, for five consecutive frames, sweeping all of the pins into the pit on every shot. In the final frame he drew a split.

Despite a miss in the ninth frame, Johnson scored 194 in his second. A. Sutherland counted 180, and Karry delivered 207. In the final game, McMillan again reached the double-century mark, with 207. Johnson fell to 178, and A. Sutherland showed the greatest slump of all, with 138 pins.

Average for the three games an even 200 when he scored a double-century in the final. E. Sutherland topped 187 in the last session. The scores:

KD ALL-STARS TO PLAY CHAMPIONS

Tonight's Fixture at the Arena
Will Be Crackerjack—
Hockey Cossip.

Orillia Juniors, champions of the O.H.A., will meet the All-Stars picked from the different O.H.A. junior septets at the Arena tonight, in what should be one of the crackerjack contests of the year. These contests take place every year and have always furnished a great game.

The All-Star septet have been carefully selected from the different teams in the O.H.A. and with the line-up secured should just about take the Orillia lads into camp. The two teams will line-up as follows: Orillia: Goal, Cook; point, Reid; cover, McNab; rover, Butterfield; centre, Turdington; right wing, Jupp; left wing, Thorn.

All-Stars: Goal, Laird; point, Whitty; cover, Sandercock; rover, Phair; centre, Smith; right wing, Tobin; left wing, Morenz.

The Winnipeg, Allan Cup holders, and Manitoba, champions, wired the T.R. & A.A. Club yesterday that they will be here one week from Saturday and the following Monday to play for the Pellatt Cup. The Pellatt Cup is the championship of the O.H.A. and the first game will be played on Saturday.

The Pellatt Cup promises to become the big amateur hockey trophy in Canada. All recognized amateur champions are eligible to play for it, and it is likely that the American teams will be allowed to compete for the honor of holding the cup if they so wish. The Arena ground has been secured, and the first game will be held on the date mentioned above.

Toronto is certainly getting her share of hockey this season—to add to the Orillia Cup, the Allan Cup, the Pellatt Cup, the O.H.A. championship game Saturday, and the All-Star Winnipeg v. All-Star Toronto game, and the games between Toronto and the Winnipeg for the Pellatt Cup, now the more than likely to see the intermediate final between London and Collingwood. Truly the hockey joy is full. It looks like hockey in these parts until April 1.

This is Toronto Hockey League night at the Ravina Rink. At 7.30 Crescents and Riverdales play the junior final, and at 8.15 the senior final. The Crescents will play off their tie of the eastern junior section. Case Curzon and F. Waghorne, Jr., will handle the games.

Goals on the round will count in the Pellatt Cup games between T.R. & A.A. and the Winnipeg. One game will be played under O.H.A. rules and the other under the western style.

Those who followed the fight for the Saskatchewan amateur hockey championship cannot help but realize that the amateur game gained a great deal of credit from the O.H.A. rules and that the future is decidedly bright.

This winter the S.A.H.A. made a firm stand in the province, and the hockey association's start was a good one, and now it is known by those who play in the province, and that the future is bright. The S.A.H.A. is here to stay and to grow stronger every year.

The Moose of Moose Jaw, 1912 champions, deserve all they get. It cannot be said that they had an easy race for the championship of the division of the league, in the semi-finals with Moosemin, and the play-off with Prince Albert, Saskatoon Phoenix.

Toronto Canoe Club and T.R. & A.A. have agreed on Harvey Sproule to referee their city championship game on Saturday night.

Toronto Canoe Club will practise at the Arena tonight, 7 to 8.

St. Matthews, champions of the Juvenile Beaches League, have sent in their team to the final of the eastern section of the Toronto Hockey League.

Hamilton's reputation as a revenue-producing proposition in the amateur hockey has gone abroad. Manager Summers got a telegram from Riley Herin, a school teacher, who was unable to visit the Alerts' rink today or Friday, and consequently there will be no games.

KINGSTON CURLING CHAMPIONS.
KINGSTON, March 11.—Prof. J. F. Macdonald of Queen's University won the much-coveted prize in curling in the series for the Whig Trophy. He also captured the Rockwood Hospital Tankard. T. Milne, Aestelme, won the trophy for the club championship.

Racing in London, Ont. Starts Next Autumn

LONDON, Ont., March 11.—The dates for the first fall meeting of the London Jockey Club will be given out in the course of a few days, according to the definite announcement made here today by interested parties.

The land in East London having been secured by J. L. Council on behalf of the association, local horsemen are highly pleased. The probable date of the meeting will be either the last week in August or the first week in September.

This announcement means that work upon the big London Jockey Club will be rushed at the earliest possible moment in order to be ready for the first race meeting.

From a Man Who Knows

From the Magdalen Islands, away down among the fogs of the Gulf of St. Lawrence, comes a letter from a man who knows that Dr. Chase's Ointment is not only a relief but also a positive cure for protruding piles.

So many make the mistake of stopping this treatment when relief is obtained, when by persistence they could be entirely cured.

Mr. Joseph Meuse, Grand Entry, Magdalen Islands, writes: "After using Dr. Chase's Ointment as a treatment for piles I must say that it did not only relieve me but has effected a cure. I had protruding piles for a number of years. Dr. Chase's Ointment cured, and I have had no relapse. This statement is true. I may be the means of helping other sufferers."

Surgical operations, with all the pain and risk, are unnecessary, for Dr. Chase's Ointment is a proven cure for every form of piles.

Kuntz's OLD GERMAN LAGER

BREWED by the expensive Old German Process from the very finest materials, Kuntz's Old German Lager sets a higher standard for American and Canadian beers. Only the most famous German lagers in the Fatherland can compare with Kuntz's Old German. And some say they are hardly equal to it, doubtless because Canadian barley—the finest barley in the world—gives a finer flavor to Kuntz's Old German Lager. Try a bottle.
