THE NOVA SCOTIA PUBLIC.

INTRODUCTION

OF THE

Russia Salve

Vegetable Ointment.

THE great success that I have attended the **RUSSIA SALVE** in Boston, U. S., and throughout the New England States, has induced the proprietors to introduce it to the Nova Scotia public,—believing as they do, that it is an article infinitely superior to anything hitherto presented in and adapted to the wants of this country, for the cure of the various complaints for which it is designed. As a healing remedy, its virtues are almost miraculous; and the good effects that are sure immediately to follow its application, have rendered the **Russia Salve** a reliable and truly beneficial remedy. For Cuts and Flesh Wounds, its healing power is wonderful; and when used in case of a severe Scald or Burn, it allays the irritation and smart as if by magic.

No great is the estimation in which this Salve is held throughout the New England States, that there is scarcely a workshop or family that have not a box or two constantly on hand, in case of accident. It has one merit above all other preparations of the kind, and that is—it does not smell the least disagreeable, nor cause any one to suspect the presence of a sore of any kind. Besides, it is so clean in its application, that it will not soil the least thing.

The history of the introduction of the **Russia Salve** to the American public is not without its romance. It is a celebrated Russian preparation, and used principally in the army—and during the memorable campaigns of 1812, it was applied with wonderful success in thousands of cases—and particularly by an old soldier who had received a severe wound in action. Several years after, the old soldier emigrated to this country, and in gratitude for a deed of charity rendered him, he gave the secret of its preparation. It has been in use in the United States nearly thirty years, but confined exclusively to Massachusetts.

This Salve cures all kinds of Burns, Cancers, Felons, Ulcers, Salt Rheum, Ring Worm, Biles, Bruises, Fresh Wounds, Chilblains, Piles, Erysipelas, Shingles, Chapped Hands, Sore Eyes, Itch, Scald Head, Nettle Rash, Cuts, Corns, Scalds, Sores of all kinds, Flea Bites, Whitlows, Warts, Wens, Sore Nipples, Stys, Festers, Ring Worms, Scurvy, Bunions, Sore Lips, Frozen Limbs, Sore Ears, Ingrown Nails, Sprains, Fever Sores.

General Agent, Wholesale and Retail, for Nova Scotia, E. G. FULLER, Bookseller, 35, Hollis Street, Halifax. Sold also by D. E. Geldert, Windsor; J. A. Gibbon, Wilnot; S. B.
