

## NEW WAY TO INDIA OPENED BY ENEMY

German Taking of Black Sea  
Ports From Russia  
Significant.

London, March 7.—The Times says that in the full extent of the treaty between Russia and the central powers issued from Berlin, the following article has been added to the draft of Feb. 21: "Basing themselves on the fact that Persia and Afghanistan are independent states, the contracting parties pledge themselves to respect the political and economic independence and territorial integrity of these states."

This has attracted attention because indicating the absolute dominance of the German military party now as before in the war in insisting upon German world dominance and in thinking far ahead. Why should Persia and Afghanistan be mentioned? Because the Germans have lost the Baghdad route via the Persian Gulf to the east. Therefore, a new route is being conceived. First, Germany demands Dobruja and the port of Constantia for Bulgaria, then Batoum on the east shore of the Black Sea from Russia, also the railroad east. This railroad aims at Tcheran. So the designs upon Persia or Afghanistan have become obvious. With Russia pledged to evacuate the Black Sea to the Caspian territory the way is opened.

Franklin, a colored adherent of the International Bible Students' Association, when he was informed by Magistrate Blake this morning that he had been found guilty of having copies of "The Finished Mystery" in his possession, contrary to order in council, and was fined \$100 or three months in jail. He had no money and was about to take the jail term, when a fellow Bible student in the back of the court room arose and announced that he would pay the fine. Franklin had refused to hand over the books to the police when requested and his reason was, as he told the magistrate, "for conscience sake."

### SHIPWRECKED MEN REACH HALIFAX

Survivors of French Steamer Wrecked  
Off Coast of Newfoundland.

Halifax, N. S., March 7.—Six survivors of the French steamer Acadien, formerly the Senlac, of this port, reported lost off the Newfoundland coast with Capt. Scott and six of his crew, arrived here today from St. Pierre, Miquelon. Their names are: P. C. Harris, Halifax; Fred Levesque, Louisbourg, N. S.; A. L. Power, Halifax; and A. Moore, St. Pierre, and two Russian firemen. Second Mate Foster says that the Acadien had sailed from Louisbourg on Feb. 15 for St. Pierre, encountered severe gales, and when off that port had her rudder smashed. There was then a heavy sea, and Capt. Scott could not induce his crew to take to the boats. He then ordered four of the officers into the boat followed by two of the crew, but before any more could escape the boat was torn away from the Acadien. The six men were picked up by the Etoile. The Acadien was last seen showing distress flares. Later wreckage came ashore near Burin, and one body was washed ashore.

### CANADIAN VALOR AGAIN

Canadian Associated Press Cable.

London, March 7.—Stirring thumb-nail sketches of individual bravery are related tonight in The Gazette in connection with the distinguished conduct medals on Canadians, Sergt. Anderson Eaton, machine guns, and Sergt. H. D. Niven, who received the decoration mainly for carrying wounded under heavy fire.

Eaton carried no fewer than eight men to the dressing station. Niven got a wounded man away three miles when he was himself wounded by two shells, which also wounded a driver, killed four horses and smashed three wagons.

Sergt. R. S. Hackett, Sergt.-Major Hersee, Sergt. Wagborn, all machine guns, received medals for keeping guns going under thrilling circumstances. Hackett was in charge of four guns of an eight-gun battery. Only one officer survived and the crews were reduced to two per gun, but Hackett dug his guns out as they were buried by shell fire.

Hersee did the same with four guns when the officer was killed. Wagborn did likewise, and further dug out six men and dressed their wounds. Three men made remarkable captures. Corporal P. H. Lindell took a gun and 14 prisoners, including an officer.

Rumford killed two crews, capturing a gun.

Four other men, Pte. C. Simmons shot seven of the enemy, completely breaking resistance.

Privates I. W. Scott and W. C. Strang saved many lives of our men thru prompt action after a mishap with ammunition. The pin of a bomb came out, whereupon Scott shouted to six men near to get clear, groping himself in the dark to find the bomb, the fuse of which he heard burning, and threw it over the parapet, where it immediately exploded.

Strang tried to throw a bomb likewise over the trench, but slipped on wet ground with the bomb and fell back. Strang again threw it this time successfully.

The matter could be best discussed, in his opinion, when the budget was introduced, but meanwhile he would treat the sum as recoverable.

## Everybody Knows Dr. Chase's Receipt Book

"Ever since I can remember, this was the most valued book in the bookcase."—Mrs. S. Thompson, Smith Street, Kingston, Ont.

"Mother has had Dr. Chase's Receipt Book for 20 years, and I tell you it is a good one."—Mr. John Miller, S. Salt Spring, B. C.

It may be safely said, without fear of contradiction, that there is no more useful book to be found in any home than Dr. Chase's Receipt Book. The proof of this statement rests in the fact that several millions of copies have been sold, and it is sometimes said that the circulation is second only to that of the Bible.

From the time he began the study of medicine it was a hobby of the doctor to collect all recipes and prescriptions of exceptional value. There is so much of the doctor's own experience and history woven into these recipes that you cannot use his book without feeling that you know him personally and appreciate his sterling character.

The Receipt Book was soon widely circulated, and aroused so much favorable opinion towards the doctor that he found the demand for his medicines far greater than he could supply. This led to the latest edition of Dr. Chase's Large Receipt Book, containing over 1,200 pages, will be sent, postpaid, on receipt of price, \$5.75, by Edman, Bates & Co., Ltd., Toronto.

decision to select a few of his most successful prescriptions and place them on the market for general sale.

This action met with some criticism from the medical profession, but Dr. Chase's motto was "the greatest good to the greatest number," and one cannot estimate the suffering alleviated and the lives saved by this generous action on the part of the doctor.

The use of Dr. Chase's medicines has become so general that there are few, indeed, who do not know something of their sterling merits. So enormous have the sales become that imitations have been put on the market and substitutes are offered by unscrupulous persons who seek to steal the reputation of their originator.

But the doctor has protected you by having his portrait and signature printed on every box of his medicines. By taking care to see these on the box you buy you can be certain that you are getting the genuine.

Dr. A. W. Chase's medicines are for sale by all dealers, or sent on receipt of price by Edman, Bates & Co., Ltd., Toronto.
