### DR. GRENFELL'S MISSION.

Massey Hall Filled With Audience Interested in His Work

sion to Deep Sea Fisheries, who gave his illustrated lecture on the work he is doing in hospital and missionary service along the Labrador coast. Mr. Whitney was gratified to find such a typical Toronto audience to greet Dr. Grenfell, thereby showing their sympathy with the noble work in which he is engaged, which is a work of love for humanity. Envelopes and cards were distributed with the

undeered in the hospital work.

AN ADDRESS TO MARCH

March, O March, from all creation, Thou art of stormy reputation; Creature of such woeful tales, By dreadful equinoctial gales— Chimneys, shricking, topple o'er. Wreckage is strewn on every shore.
Many lives before thee go,
Passing away like melting snow.
Memorial poems find their best When mustered up at thy behest Thy wind is like a fearsome flail Upon the young, the old, the hale. Diphtheria, grip, pneumonia—chest— Mankind with these are far from blest. Now, we beseech, mend thy ways. And give us thirty-one good days.

John W. Campbell.

Coleman Development Wins Word was received in Toronto yes terday that in the case of Petrokas v Coleman Development Co., the appeal of the former had been dismissed, and the master of titles at North Bay had issued the patent for the lot in dispute to the Coleman Development Co. This gives the Coleman Development Company absolute title to the four twenty acre blocks, including the Calumet immediately southwest the Beaver and Temiskaming, which shared with her husband, and it is uniq you ought to be vigorous and rud-versally admitted that she was in a dy—you eat enough, sleep fairly weil \$2,000,000. P. J. Finlan of Cobalt, who great measure responsible for making —but still that listless feeling hangs Development Company stock, is confident that this stock will soon sell at \$10 per share.
