THEY HAD A JOLLIIFICATION.

A Prosecution Followed, But No Case Was Made Out.

Wainwright, Aug. 24.—(Special)—On Aug. 9 large crowds came to celebrate the civic holiday and to witness the athletic games and sports. The baseball team from Dresden and the fire brigades from Thameville and Marine City, Michigan, were there. In the evening the celebration was continued at the hotels, where a good-natured frolicsome crowd gathered. The result was the prosecution of James Gormley of the Montreal House for allowing disorderly conduct on his premises. Chief Constable Constans and Constable Benn were called to testify, after which Police Magistrate McLaughlin dismissed the charge without calling on the defendant. Mr. Walker of Chatham appeared for the defendant. Mr. Haveron, counsel for the License Holders' Association, for Gormley.

DEATH OF DR. WELLS.

Recently Appointed House-Surgeon at St. Michael's Hospital in This City.

A telegram was received at St. Michael's Hospital yesterday, announcing the death of Dr. William Wells, who received the appointment of house surgeon at that institution six weeks ago. Dr. Wells went to Alaska Craig to recuperate from an attack of illness before entering on his duties of his office. Pneumonia and some complications ensued, which resulted fatally. Dr. Wells was a graduate of Toronto Medical College and he won the Reeve Scholarship. He was a son of Rev. Mr. Wells, a Methodist minister of Winnipeg. The announcement of Dr. Wells' death caused deep grief amongst his colleagues and many friends. He was a highly accomplished young man, and he was making a high position in his profession. The funeral takes place at Alaska Craig today.

ST. PAUL ROAD DROPS OUT.

Draws From the Western Passenger Association.

Chicago, Aug. 24.—The Chicago, Milwaukee and St. Paul road today gave notice of intention to withdraw from the Western Passenger Association, because of the association's refusal to accept the rules of the association, and at the same time protect the interests of the outside lines. The St. Paul road's withdrawal will probably cause a temporary disorganization of the association.

Cavalry and Artillery Homeless.

World in your issue of Aug. 24.

A report of the subject of the household accommodation at the Armouries.

Cavalry and Artillery, signed "unhappy" the writer has already noted in the editorial of July 29 last.

By remarks on the financial condition of the Armouries, I shall not refer to the camp, say that he seems to be in a position to meet the requirements of the service, and as to the account of the camp, he was promised to them before the camp was opened.

As a strong dislike as he has, that may appear like a statement, I would remain in the camp, and the mounted corps are doing very well in the performance of an annual drill, and in fact, the camp is in good faith by the latter.

As a result of the camp, the camp is in good faith by the latter.

The Thrower Was Arrested and Proved to be a German Without Malicious Intentions.

London, Aug. 24.—Considerable alarm was created yesterday evening by a man throwing a letter into Queen Victoria's carriage as she was driving into Osborne Castle, Isle of Wight. A rumor spread to the effect that the letter contained an explosive. This turned out to be false. The police quickly arrested the man, whose letter was only an appeal to Her Majesty to secure for him a new trial of a civil suit which he recently lost. The prisoner was found to be a German, who was not aware that his action was against the law. As it was evident that he had no intention to do any harm, the man was released. The Queen was surprised when the letter fell into her lap, but she betrayed no alarm.
