We think these are five good reasons why you should buy and try the Ostermoor Patent Elastic Felt Mattress:

- FIRST-It is modern and up-to-date, being a decided improvement on the old kind made of feathers, furs or hair. Horse Covers

Kindness to the horse always pays. A chill or soaking may have serious results. Waterproof Coats

For Men and Boys. A few of our representative values in Coats, the qualities of which we guarantee to be safe and reliable. Peaceful Conquest. Newfoundland is to be brought into Confederation. This was decided by a vote of 14 to 9 at St. George's Schoolhouse, John-street, last night.

The debate was on the motion that it would be mutually advantageous for Newfoundland and Newfoundlander to enter into Confederation. C. E. Gorton, J. D. Duffield, T. S. Scarth, and J. T. Summerville, Trinity College led the discussion. Next week the society will hold a popular concert.

Tired Out

That's nothing. Every one is tired at times. The trouble is you can't get rested. It's your impure blood that makes the disturbance. Try Ayer's Sarsaparilla. Your doctor will tell you what is in it, and why it will help you so promptly.

I suffered terribly for 12 years. The doctors said my blood was all turning to water. At last I tried Ayer's Sarsaparilla, and was soon in the best of health. Mrs. J. W. Fiala, Hadlyme, Conn.

Angier's Petroleum Emulsion

FOR CONSUMPTION. It meets the strongest indications, never fails to relieve the cough and other distressing symptoms, and has undoubted efficacy in checking diarrhoea, fever and night sweats. It supplies the vital elements much lacking in all forms of wasting disease. Angier's Petroleum Emulsion expels disease by revitalizing the blood and helping build healthy flesh tissue. It agrees with the weakest stomach, is pleasant to take, aids digestion, soothes and heals all inflamed and irritable conditions of the stomach and bowels. It has been prescribed by the medical profession and used in all the leading hospitals since 1880.

CONSUMPTION—I have used Angier's Petroleum Emulsion with grand success. I had several cases of chronic bronchitis which were very greatly benefited by its use. I have also used it in a case of consumption with marked benefit. Another case of a young woman greatly emaciated, etc. Angier's Petroleum Emulsion was cured by the use of it. I use it in the case of a young man having tubercular diathesis, who has contracted a very bad cold. He has improved wonderfully since I put him on Angier's Petroleum Emulsion. I will continue to prescribe it. DR. J. M. MILLER, Pittsburg, Pa.
