Dominion Not to Make Provincial Grants-Trading Stamp Bill is Passed.

Ottawa, July 14.—In the house of ommons this morning, the report of the joint committee on tuberculosis was adopted, minus one clause calling upon the Dominion to make grants to the provinces for use in checking the disease. This clause was left out at the instance of Sir Wilfrid Laurier, who thought he saw in it a constitutional innovation which might prove to be a dangerous precedent. Without this clause he acknowledged the report was incomplete, but the session was so near the close that the question could hardly be gone into further.

Mr. Borden said that his view was

pretty well along the same line as expressed by the premier. The Dominion ought not to be bound, but left free cotake its own initiative.
