## Boxes for Horse Show.

The sale of boxes for the Canadian Horse Show to be held on Wednesday, Thursday, Friday and Saturday of next week, took the form of a very pleasant social event yesterday afternoon at the King Edward Hotel. The very diverting English entertainer Leslie Harris gave a half-hour program that amused the large gathering very greatly.

After a preliminary announcement by the manager, Stewart Houston, the auctioneer, C. M. Henderson, offered first choices, which was taken by George Beardmore, chairman of the show, for \$110.

Lieut.-Col. Williams on behalf of the Stanley Barracks' Mess obtained second choice at \$100 and W. D. Beardmore third choice at the same figure.

Fourth and fifth choices sold to E. B. Oster and Cawthra Mackell at \$50. Mackell and Amellius Jarvis.

The other boxes sold and the prices are: E. C. Cox, \$75; H. C. Tait, \$75; George Macdonald, \$70; J. J. Dixon, \$70; Dr. W. A. Young, \$70; Stephen Haas, \$65; George E. Sears, \$60; W. C. Bailey, \$60; Miss Wilks (Galt), \$60; Lt.-Col. MacLean, \$50; Dr. J. H. McCreary, \$50; Dr. S. H. McCoy (St. Catharines), \$50; Col. Pratt, \$45; F. W. Baillie, \$40; C. C. James, \$40; James Watt, \$40; W. J. Clark, \$40; A. Yeagher (Simcoe), \$40.

A few boxes were as usual left unsold and these can be obtained at \$50 from the manager. The total price approximated last year's auction and in view of the commercial depression the result was considered highly satisfactory.

The sale of seats begins at Tyrrell's bookstore on Friday morning.

**Inhibition to Housewives.**

You are cordially invited to attend an exhibition at the Lillian Massey School, 145 Jarvis-street, on Thursday, April 23, from 3 to 6 o'clock, and Friday, the 24th, from 10 a.m. to 6 p.m. There will be an exhibit of meals at different prices (10c and 25c per person per day), days' meals with a low priced value as used by Prof. Chittenden of Yale University, also suggestive trays for invalids and convalescents. In addition there will be exhibits in the laundry and household art rooms.

**Personal**

At LeRoy on Tuesday, April 21, a quiet but pretty wedding was solemnized when Miss Myra Barclay, daughter of Mr. and Mrs. Noah Gross, was married to Charles N. Power of Toronto, Rev. W. B. Heeneey of Trinity Church, Barrie, officiating.

The bride, daintily attired in a semi-empire gown of crepe-de-chene, over white chiffon taffeta, was unattended, save by two pretty little toys, Miss Margaret Bailey of North Bay and Master Jack Dymond of Barrie, niece and nephew respectively of the bride. The wedding march was played by Mrs. Whitney of Toronto, and after the ceremony, Jack Power, brother of the groom, sang De Koven's "O Promise Me." Mr. and Mrs. Power left for their home.

The marriage of Miss Helen Strohs Douglas to Malcolm Campbell Oswald of Montreal took place yesterday afternoon in St. Andrew's Church, King-street, Roland Stevens of New York, Z. Lash, Arthur McMurchy and Stanley Ryerson ushered the guests. Rev. Crawford Brown performed the ceremony, Col. DeLamense giving the bride away, and Mr. Buchanan of Montreal acting as groomsmen. The bride was attended by Miss Kathleen Smith, Miss Florence Bell, Miss Jessie Dill, and Miss Susanne Mara, dressed alike in semi-empire gowns of a soft shade of liberty blue satin made with tulle, and high bodices trimmed with limerick lace. Merry widow hats of pale blue net, the crowns circled with high double folds of blue satin and cloth of silver and finished in the front with broad bows of blue net, were worn with these artistic gowns, and each maid also wore a bracelet set with 18 amethysts and pearls, the gift of the groom, and carried a bouquet of velvet petalé Richmond roses.

The bride's empire gown was of white liberty duchess-satin, with berthe, front panel and deep founce of blue and rose point lace. The double train was caught between the shoulders, with a rhinestone buckle, and the long veil of tulle held in place by a coronet of California orange blossoms. The groom's gift, a necklace suspending a pendant drop of diamonds and whole pearls, was worn with a pair of diamonds and pearls, and a bouquet of lilacs of the valley and pale mauve orchids was carried. Mr. and Mrs. Oswald left for a honeymoon trip to Atlantic City, the bride traveling in a pretty checked suit of light grey and white, with big maize-colored hat faced with cerise and trimmed with black and cherry color.

Mrs. H. J. King, 123 Albany-avenue, will not receive Friday, nor again this season.

Yesterday afternoon in St. Luke's Church, the marriage was solemnized of Miss Hazel Margaret Ford, daughter of the late Alexander Ford, and Mrs. Ford, and grand-daughter of Mrs. E. H. Rutherford, to Oscar Earl McGaw, son of the late Thomas McGaw. The ceremony was performed by his grace the archbishop, assisted by the rector, the Rev. Hamilton Dicker. The bride wore an empire gown of white liberty satin, veiled with limerick lace, made with long train, and tulle veil, caught with a chaplet of orange blossoms. She carried a bouquet of lilacs of the valley and wore the gifts of the groom, a pearl pendant and sapphire and diamond ring. Her sister, Miss Louisa Ford, attended as maid of honor, and Miss Agnes Weir and Miss Florence Crawford, cousins of the bride, were bridesmaids. The ushers were Russell Grey and Philip Boyd.

Mrs. George Nixon, Sullivan-street, will not receive to-day.

**A ROMANTIC WEDDING.**

**Eastern Townships Surprised by Interesting Union.**

MONTREAL, April 22.—Society circles in Montreal are greatly interested in the report that Miss Florence Farwell, daughter of Mr. and Mrs. Edward Farwell of Sherbrooke, and Guy Hosmer McGibbon, son of R. D. McGibbon, K.C., the leading Montreal lawyer, had been quietly married in New York. Young McGibbon is only a medical student at McGill University and had gone out for the Easter holidays to New York, where Miss Farwell is attending a fashionable boarding school.

While it was known they were great friends, not even the members of the families ever dreamed that the young lovers were taking any such step and they were dumfounded when a wire was received telling them that the marriage ceremony had been performed in the Collegiate Church, Fifth-avenue, yesterday, by Rev. D. J. Burrelle.

Miss Florence Farwell is particularly well-known through the eastern townships, being a granddaughter of President Farwell of the Eastern Townships Bank.

Young McGibbon for the past few years had attended the leading social events in Montreal.

So far it is not known what plans the young couple have, but it is expected that they will come back to Montreal and McGibbon will complete his medical course at McGill University.

**Frank Issue Restraint.**

CHICAGO, April 22.—Judge Kohlsaat, in the United States circuit court, issued an injunction to-day against five companies, restraining them from issuing franks and from transporting property in interstate commerce in exchange for franks. The companies enjoined are: The National, American, Wellsgard, United States and Adams.

The decision declares the issuance of franks violates the interstate commerce law.

**Delaney Long Detained.**

NEW YORK, April 22.—Daniel R. Delaney, a law clerk, who was convicted of larceny of \$541 from his employer, Henry E. Coe, was sentenced to-day to serve not less than six and a half years, more than ten years, in state prison.

Judge Malone, in imposing the sentence, said that Delaney's stealings had amounted to more than \$50,000.

Teas grown at high altitudes on the mountain slopes of the Coast, where the growth is slower and cultivation more careful than in the warm, humid climate of the valleys, are used in "Salada" tea. High-grown tea, like "Salada," is not only of a finer quality, but contains more of the essential oil in the leaf than valley-grown tea. This quality is proved by comparing a drawing of "Salada" Tea with any other.

**Would Change Site of Technical School.**

**Proposed New Location in Northwest Section is Favored, But Means Increased Outlay.**

The board of control was called upon yesterday afternoon to deal with the situation arising out of the objections taken by public bodies to the site for a technical school on East Bloor-street, chosen by last year's board of education. There were present R. S. Goulay, chairman of the board of education, Wm. Glocking, District Labor Council, and a delegation of school trustees, headed by Chairman Dr. Ogden.

Dr. Ogden explained that the board had taken cognizance of the objections raised, and had discovered a new desirable site, bounded by Brunswick-avenue, Borden-street, Sussex-avenue and a lane south of Borden-street, and a lane north of Borden-street, and a lane east of Borden-street. The property is assessed at \$83,500, but Dr. Ogden stated it would cost \$120,000. He suggested that the city provide \$150,000 in addition to the \$82,500 expended on the Bloor-street site.

The main argument against this location were that the noise of the street cars would prove distracting, and that it was the new school should be farther west, as the city was growing in that direction. Dr. Wickert thought the change should not involve an outlay of more than \$50,000.

The controllers advised the trustees to prepare a definite plan showing the amount at which the new site could be purchased, and the amount that could be obtained from the sale of the Bloor-street site. It was noted also that the board of control was without restrictive powers, since if it refused to sanction the issue of street cars the board of education had authority to submit a bylaw to the ratepayers.

**Regulation of Signs.**

That the city should obtain power by legislation to prevent the installation of advertising signs in localities where they were deemed undesirable was the opinion expressed by Ald. McChie at yesterday's meeting of the fire and light committee.

The discussion arose out of the application of the Connor-Rudly Company for permission to establish large overhead signs at several points. The company's contention was that the city could not prohibit the signs provided they complied with the regulations. Fire Chief Thompson said roof signs were an obstacle in fighting fires. He reported against the applications, and the company was advised to confer with the city architect.

Ald. Chisholm objected in vain to the city's contracting with the Electric Light Company for ten lights to illuminate the Don speedway up till midnight, at a cost of \$468 per season.

**Aid to Scott Family.**

Rev. J. D. Morrow asked the board of control yesterday for civic aid to the relatives of Mrs. Mary Scott, 25 Defoe-street, who was killed by a horse-wagon Tuesday morning. He explained that the family were in very needy circumstances, and that the son had been out of work all winter.

The city will bear the expenses of Mrs. Scott's burial, and will give employment to the son.

G. H. Wallace of the Weber Gas Engine Company urged that the board give prompt reply to the company's request for power to use the city's streets. The mayor told him that good remuneration would be required. The city solicitor was instructed to negotiate.

**Want Ravine as Park.**

A ward five deputation asked that the city purchase the Blackfoot ravine for park uses. They were asked to obtain a petition to this effect, and agreeing to pay 30 per cent of the cost of extending Harbor-street.

The board deferred nominating James Wilson as parks commissioner until Friday, the Controllers Harrison and Ward were willing to negotiate.

The board agreed to sell the Sunbeam Incandescent Lamp Company a lot 125 x 300 feet, on the east side of Dufferin-street, at \$50 a foot. The company promises to erect a \$75,000 factory.

The number of permits for dwellings granted from April 1 to April 15 was 74, with a number of other structures, making the total value \$453,000.

**AT THE THEATRES**

The coming of the Dunsmore Grand Opera Co. will give the first opportunity of hearing a capable interpretation of Rossini's comic opera masterpiece, "The Barber of Seville." The role of Rosina, will be sung by Mme. Irma Monti Baldini, who has taken the part in almost every language. The part of the barber will be taken by Roman Klekko, until recently the leading baritone at the Manhattan Opera House. John Dunsmore, leading basso in the Bostonians, will be seen in the titular role of Don Basilio. Pierre Garand, who achieved fame at Covent Garden, will be the Count Almamy, and the part of Dr. Bartolo will be sung by Edward Lehay. The production will be given with an augmented orchestra, at the Princess Theatre, on Thursday evenings.

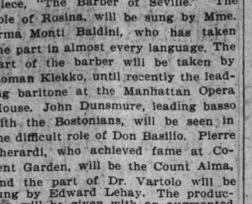

"The Red Mill," the latest musical success of Henry Blossom and Victor Herbert, has been the theatrical sensation of the last two seasons. The

first performance here will be given on Monday evening at the Princess Theatre. Montgomery and Stone, the stars, will undoubtedly be warmly welcomed.

The dramatic year will bring no more important production than Mrs. Fiske's presentation of Ibsen's "Rosmersholm," which will be seen at the Royal Alexandra next Monday. Her character is that of Rebecca West, the famous woman who is the central figure of this play, the crowning work of the master modern dramatist. Persons familiar with the acting of this distinguished actress, and with "Rosmersholm," consider that Mrs. Fiske has now a role in which she excels her Nora, in "A Doll's House," and her "Hedda Gabler." The play is, as Ibsen himself said, a drama of "human beings and human destinies." It has for its most vibrant note that of love, which inspires and decides

the drama. But beyond that there is involved, too, the struggle between religious belief and modern liberal thought. The play is modern, and the action takes place in the Rosmer manor in Norway. Dominating the drama is Francis West, who, in mentality, shrewdness, will and desirability is as strange and fascinating a character as dramatist ever drew.

In Rosmer, the dreamer, whose irresolution bars him from executing his projects for eradicating mankind; in Kroell, the stern uncompromising bigot; in Mortensgaard, the sinister editor, and in Brenden, the eccentric poet vagabond, Ibsen has given a variety of strong characters.

George H. Primrose, known to the stage as "the dandiest of all the dancing comedians," comes to the Grand Theatre to-night to give a special performance of his own famous organization. This season Mr. Primrose is said to have surrounded himself with the best company of minstrel entertainers that has ever been gathered together, and has a production that contains wonderful novelties and is the most complete of the kind in the first and only high-class minstrel organization visiting the city this season. The engagement at the Grand is also important, as this is one of the few houses where the company plays to less than a dollar-a-day scale of prices. During the week the usual matinees will be given on Wednesday and Saturday.

A most pleasing and varied bill of big acts is promised by Manager Shea for next week. Marie Brackman, known as "The Gainsboro Girl," and one of the big vaudeville favorites, will head the list. Byron Langdon in the screaming farce, "The Duke Detective," Kikamura, Japs, Arthur Whitelaw, Mayme Remington, Keeley Bros, Paul La Croix and the Kinetograph complete the bill.

Lew Welch, the versatile Hebrew character actor, will be seen in a new

**HIS PLAN BROUGHT \$10,000**

**Civil Engineer Gives Evidence in Public Accounts Committee.**

OTTAWA, April 22.—E. H. Vantlett, civil engineer of Montreal, was examined this morning in the public accounts committee in regard to the contract which was made with him in 1905 by the public works department for the preparations of plans for a power dam at St. Andrew's Rapids, near Winnipeg. He had been employed in plan-drawing by this department from 1889 on, but never had done any work exactly similar to this at St. Andrew's Rapids, because there was nothing of the kind in existence in America.

He was consulting engineer for the masonry work, but himself prepared the plans for the superstructure, for which he was to receive five per cent of the contract price and a special allowance of \$600 to cover the expense of a trip to Europe, where he visited a couple of works on the Seine of a similar character. He had since been paid \$10,000 for the plans he had drawn and the improvements of St. Andrew's Rapids were now being made.

**Magistrate at Brantford Will Be More Severe in Future.**

BRANTFORD, April 22.—(Special).—Bruce Stewart and Dominique Seftle, two striking moulders, were fined \$10 each at police court this morning. They were charged with assaulting George P. Buck and endeavoring to prevent Mr. Buck from conveying into the shop a strike-breaker on Monday afternoon.

The offenders were in a gang who blocked the streets and were recognized as former employees. Mr. Buck succeeded in lashing his horse through the crowd amid a fusillade of missiles.

Magistrate Livingston intimates that more severe penalties would be inflicted if union men continued to intimidate strike-breakers.

**Escaped and Resumed Burglary.**

Frank and Albert Hume of Cannington, aged 14 and 15, sentenced to six months in the industrial school for thefts, escaped on Sunday and were arrested at Manilla yesterday. They are blamed for breaking into several Cannington stores on Monday night.
