PERFECT SATISFACTION AND THAT ALONE SEALS A SALE AT BRODERICK'S

Don't confuse this sale with ordinary sales. Broderick's is a high-class tailoring house-a house that employs the highest salaried cutters in Canada. This sale is a popular annual feature of our business. The Broderick Standard of quality is maintained throughout. The sale is intended to give every well-dressed man in Toronto an opportunity of judging Broderick's Business Suits for himself.

Material Guaranteed

Every yard of material entering the Broderick establishment must be absolutely guaranteed by the manufacturer. But that does not satisfy us. We subject Worsteds, Tweeds and Serges alike to a rigid analysis. There is absolutely no shrink left in the cloth used in our suiting for the reason that the Broderick standard demands permanent style.

Workmanship Guarantee

The unexcelled popularity of our business suits is the most convincing evidence of the care we take to assure the perfection of every garment tailored in the house of Broderick. No less than '3,500 of Broderick's Business Suits, and 1,200 special Blue Serge Suits were sold last year. There's another reason. Every man on our pay roll is an artist. It's this doing the day's work to the best of our ability-this constant effort to better the product of yesterday that has made Broderick's Business Suits the standard for well dressed men all over

Lasting Style Guaranteed

Every business man wants to know positively that his suit will re tain its style, shape and fit. Our legal guarantee covers all that because all our clothes are properly cut and artistically tailored. We don't press style into our garments with a Hot Flat Iron. Broderick's business suits are cut and tailored by specialists—the shape, the style and fit are tailored permanently into the very fabric.

Prove Our Claims

" We guarantee every inch of material, trimmings included, to be of bigh standard quality. We guarantee the perfection of our finished business suits because we know that the workmanship cannot be surpassed. We guarantee permanency of shape, style and fit, because all that is tailored into every garment. And all this under a legal and binding guarantee to refund your money if we fail to give utter satisfaction in every particular.
