Underwear for Men Who Work Outside

A MAN who does real work cannot be bothered with a Coat half the time. Cold weather or hot, he likes to work in his shirt sleeves, so it is important that he choose the right kind of winter underwear—you'll agree with us there.

But, as you know, a man is not the best judge in the world when it comes to buying woollens. Often he will get hold of a cotton mixture and never know the difference. He'll find out, however, the first time he wears it and gets cooled off in it.

Now, we want to make this fact plain—we have the Woolly Wool Underwear—lots of it—and you may trust us to sell you what you want.

Here are four English lines we back with all the conviction we know how:

"Stralian" imported English natural wool, light, natural shades, fine soft yarn, well knit and sized; made in sizes 34 to 48; one of our best values at per garment, Thursday, \$1.25.

"Penman's" extra heavy natural wool, the standard shade, best trimmings; shirts or drawers; sizes 34 to 40. These garments are non-irritating to the most sensitive skin. A good investment at per garment, Thursday, \$1.25.

"Britannia" natural wool, extra fine and heavy, extra soft and closely knit; a garment all through of extra good value; imported from England; sizes 34 to 48; one of the best values we offer at per garment, Thursday, \$2.00.

"Wolsey" extra heavy natural wool; shirts, drawers, made double back, made with spliced seams and sizes 34 to 48; one of our best sellers, \$2.50.

See Our Coon Coats Thursday at \$33.00

YOU'D judge them up for \$50.00 Coats sure. Winter Caps are here, too, when you want them—the ear-protecting kinds.

20 Men's Canadian Raccoon Fur Coats, natural dark and heavy furred skins, well matched, strongly new, and well lined, deep storm collars and 50 inches long. Thursday bargain \$33.00

Men's Winter Wear Caps, with fur bands to pull over the ears, in tweeds, corduroys, serges, heavier cloth, sealote and curl cloth, extra good values at 50c, 75c, 95c and \$1.00.

An Ideal Winter Overcoat

AT \$14.95 we can give you a Coat made up in the fur-lined style with an Otter Collar.

Now, there's a Coat worth seriously considering.

You have the chief comfort of a fur coat, namely, the snug fur collar, and you don't have the excessive weight. It looks—well, there's nothing to choose between it and a regular fur-lined coat costing several times the price.

Made of a smooth finished rich black imported English beaver cloth. Coat latest style, double-breasted, lined with heavy quilted Italian cloth, finished with mohair-covered buttons, fur collar, deep shawl collar of full-fur, and German otter, a storm resister, presenting all the appearance of the fur-lined coat. Special price \$14.95

Men's College Ulsters, dark brown and Oxford grey chevrot lined, lined cloths, Prussian collar, heavy twill mohair lining, gilease sleeve lining \$12.50.

Sahlin Perfect Form and Corset Combined

THREE hundred and sixty-six pairs of this perfect figure builder just to hand. If you have never seen the "Sahlin" you should make it a point to do so tomorrow. Ask to have it explained and demonstrated to you. It has wonderful possibilities. Try it, and you will prove for yourself that it will do all that is claimed for it.

The "Sahlin" made of fine coutil, in two lengths, no hooks, no clasps, no eyelets, no strings, no heavy steels, high bust, tapering waist, light weight, absolute comfort, self-adjusting to every figure, sizes to fit 32 to 38 bust measure, Thursday \$1.25.

WOMEN'S FLANNETTE NIGHT-DRESSES—NO PHONE ORDERS. Every one of these gowns will be gone before noon, so come early if interested. At the present price of cotton you could scarcely buy the material of which they are made for the price we ask for the finished garment Thursday. We cannot promise to fill phone or mail orders.

300 only Women's Nightdresses, fine quality fancy striped, flannellette, 3/4 length, Hubbard yoke, frills of goods on neck, front and cuffs, large, full-sized bodies, lengths 56, 58, 60 inches, Thursday, each, 48c.

WOMEN'S COMBINATION UNDERWEAR. Slight imperfections and small discolorations make a difference of price on this underwear of exactly half. The wearing qualities, however, are not affected a particle. Come Thursday for these.

Women's Fine Union-Suits, slightly imperfect, white or natural ribbed fine wool with single thread of cotton in back of rib, unshrinkable quality, high neck, long sleeves, ankle length, Florence style, buttoned across shoulders, sizes 32 to 38 bust measure, regular price if perfect \$1.75 each, Thursday, each, 88c.
