

INTRODUCTION.

To our Patrons and the Business Public generally. We take pleasure in drawing your attention to the issue of our Gazetteer for the Provinces of Ontario, Manitoba, North-West Territories, British Columbia and City of Montreal. This is our Fifth Biennial issue of the Ontario Gazetteer, and the Second of the other Provinces. We feel that we have done our work faithfully, and as well as it is possible to have a work of this kind done in the time in which it is necessary to issue. We employ only reliable men who understand the business, and we feel satisfied that more information about the business of the Dominion, that is required by business men, can be found in our publications than can be procured from any other source for 100 times the price of our Books, and it only requires a thorough look through them to convince business men. As an Advertising Medium there is nothing can equal it for the amounts we charge.

Yours respectfully,

MIGHT'S DIRECTORY CO.

J. M. MIGHT, *General Manager.*
