The Compound Investment Policy

Possesses all the advantages of the Company's favorite Semi-Tontine plan, with the addition that after it has existed for ten years, the Company will loan to the holder, if he so desires, the premiums payable for the remainder of the term, to enable him to keep the policy in force to the end of the Investment period. Should death occur any time after the tenth year the full amount of the policy is payable, and the loan (if any) cancelled.

The 7 Per Cent. 15 and 20 Years Bonds

Provide that at the end of the period, fifteen or twenty years, the insured can draw out his cash surplus, have a paid up policy for the full amount of the Bond and in addition draw an annual income of seven per cent. on the face of the Bond so long as he lives.

The Company offers to intending insurers all the ordinary plans of insurance as well as those specially mentioned.

The Company is noted for prompt payment of death claims immediately on completion of proofs.

Its policy contract is a simple one, free from onerous conditions and incontestable after three years.
