**N. B. BOYS IN THE GREAT DRIVE ON SOMME**

Moncton, Aug. 23.—How New Brunswick boys are participating in the big drive on the Somme front is told by Gunner Arthur Stone, formerly of the Moncton postal service, in a letter to J. T. Hawke, of this city. At the time of writing, August 1, Stone was just recovering from illness. He had been in several German dugouts, some of which had several hundred steps and landings, stories in them. In one he saw no fewer than ten German soldiers. Dugouts that have been shelled look like brick yards. The Canadians now have high explosives of all kinds, and the Germans are unable to stand up against the terrific gun fire.

**COUNTY COURT**

At the afternoon session of the St. John County Court yesterday, with Judge Armstrong presiding, an interesting phase arose in the case of the King vs. Alexander McDonald, who was being tried on a statutory charge. The chief witness for the crown denied all the evidence she gave in the police court at the preliminary hearing, stating that she had deliberately told untruths concerning the prisoner. Judge Armstrong commented very strongly on the woman's change of mood and he remanded both the prisoner and the witness to make enquiries. The case was withdrawn from the jury.

In the case of the King vs. Joseph Carr, who was charged with assaulting and wounding Policeman Armstrong, the jury returned a verdict of guilty yesterday afternoon, accompanied by a

The constant pounding and pressure of your hard boot heels bring severe body fatigue. If you will place cushions under your heels — rubber cushions — Cat's Paw Cushions — your fatigue will be lessened.

You will walk out of the store or shop or office at the close of your working day with a light, lively step.

**CAT'S PAW RUBBER HEELS**

Made of the best live rubber and with Canvas Friction Plug. This makes them slip-proof and the canvas is hard enough to overcome that "stealthy" feeling which ordinary rubber heels give.

You need the lively step, the increased vigor, the improved carriage, and the safety these perfect heels with their famous canvas plug will give you.

Made in all colors and sizes. 50c per pair attached. Look for orange colored box and black cat.

The cow's milk sold in towns and cities is so likely to contain harmful bacteria, particularly in hot weather, that it is recognized as unsafe for baby unless it has been pasteurized. **THE MILK QUESTION.**

To the Editor of the Times-Star:—Sir:—Since when have our Kings county farmers been becoming Shylocks to such an extent as to attempt to raise the price of the children's nourishment, when, as stated by a man in such a position as Mr. Prime, that there is absolutely no occasion for ten cent milk in St. John?

Up to the present time I have not heard of one single society or organization passing any resolution against this movement.

The statement made by Mr. Prime is only too true; we are sadly in need of an organization to handle the farmers in a case such as this, and not alone on the milk question, but the price of butter, and in fact all dairy produce is today at an unnecessary high price here.

Being but an ordinary St. John laborer, I am not in a position to make a personal house to house canvass, but I now appeal through the medium of the press to at least the mothers of the many so poorly nourished children to show a spirit of necessary independence in this matter and furthermore refuse to pay the price demanded on the morning of the first day of September, when eventually the original price must return.

Yours,  
ALBERT O'HARA.

**"I DON'T SUFFER ANY MORE"**

"Feel Like a New Person," says Mrs. Hamilton.

New Castle, Ind.—"From the time I was eleven years old until I was seventeen, I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be so miserable. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it, and now I feel like a new person. I don't suffer any more, and I am regular every month."—Mrs. HAZEL HAMILTON, 822 South 16th St.

If you want special advice write to Lydia E. Pinkham, Medicine Co., (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

**SIX FROM PROVINCE IN CASUALTY LIST**

The names of six New Brunswick men who appear in the midnight casualty list killed in action, George Bickerton, Middle Sackville; Docteur Hebert, Paquetville; died of wounds, Frank M. Martin, Dalhousie; Edmund Stinson, Bathurst; wounded, Harry Delong, Nashvassit, and Frank Hamming, Sackville.

It is now said that the 104th Battalion will go to France intact.

Arrangements were made yesterday by Lt.-Colonel Guthrie for the use of the highest peak on Carleton's mountain. This peak will be used for the central fire. Recruiting is actively begun for the battalions. On the day that active recruiting for the battalion begins, fifty big fires will be lighted.

Five little boys, Noel Flemming, Rayburn Jack, George Noble, Gordon Noble and Errol Seely, held a candy and refreshment sale in Mrs. Flemming's yard yesterday which resulted in the raising of \$2.00 for the Blue Cross Fund for horses.

In a recent list of military honors gazetted in London appears the name of Lieutenant George Roland Barnes, Mounted Rifles, who has received the military cross "for reconnoitering the enemy's movements during thirty-eight hours' continuous action, in which he showed great coolness." Lieutenant Barnes is well known throughout the province and is a King county boy, the son of T. William Barnes, of Hampton.

A PLEASANT EVENT

A pleasant event was spent on Monday evening at the summer residence of Mrs. J. Mullin and Mrs. Hobson at Kennebec Island, when about fifty couples passed the evening in games and dancing. The dance room was tastefully decorated with evergreens, ferns and flags of the allies, and a special attraction was an artificial moon. The veranda also gave a pleasing effect with decorations of Japanese lanterns. Credit is due to the Misses Mary McCurdy, May Gibbon, Josephine Mullin and Daisy Smith, who decorated the dance room. Music was rendered by Vincent Marrow and Leslie Johnson. Refreshments were served about midnight after which the gathering broke up, singing the national anthem. Leonard F. Keith proved a capable floor director.

When turning beds in napkins, rub well with soap, and then you will have no trouble to hem them.
