THIN, RUN DOWN

MEN AND WOMEN

GAIN IN WEIGHT FROM TEN TO FORTY POUNDS

Sargol, The Flesh Builder Gives New Life, New Strength, New Vitality

and Puts Firm Healthy Stay There Flesh on People

Who Are Underweight.

When I started taking Sargol I weighed 120 pounds. Now I weigh 156, says J. G. Wilson. It put new life in every

perfect, sleeps better and feels better

than for 80 years. Miss Maud Smith re-

ports a gain of 10 pounds and still gain-

ing. Health greatly improved.

When these and hundreds of other

once thin, underweight people write to

say that as soon as they began to take

Sargol a part of their meals they began

to get fat, don't you think that there

must be something in this widely ad-

vertised method of flesh building after all?

Don't you think you ought to try it,

particularly as leading druggists every-

where sell it with the positive guaran-

tee that unless it makes an increase in

your weight you can have your money

back?

You may say, "I am naturally thin.

Nothing can make me fat," but until you

have tried Sargol you do not and can-

not know that this is true.

Thin-fels stay thin no matter what

be how much they eat and they begin

to think food has nothing to do with

flesh making. But they are wrong.

Thin people stay thin because the fats,

vile, starches, sugars and other flesh

and fat-making elements in their food

are mostly passing out of their bodies as

waste. Only enough nourishment is

retained to keep the body going. Nothing

is saved for flesh making.

Sargol of itself will not make fat. Eat

it between meals and you probably will

not gain a pound. But eat a single Sar-

gol tablet with every meal and soon you

may be gaining a pound of flesh a day.

Sargol is the missing link between flesh

and fat-making. It makes the food

of your meals put flesh on your

back.

The sugar you put in your coffee

does not dissolve if it does not sweeten the

coffee. It is the dissolving, not the sugar,

that makes the coffee sweet. It is the

same with your food. Unless it is properly

dissolved in your stomach, separating

the flesh-making nourishment from the

waste, and unless the blood absorbs its

full portion of the fat-making material

you must stay thin.

Here is where Sargol plays its part.

It acts on every mouthful you eat.

It promptly stops the leakage of fats.

It lets only the waste leave the body.

It puts your food in a condition that

means its perfect assimilation by the

blood and tissues. Your body cells which

have been starved begin to thrive and

you begin to take on weight quickly.

It's not a theory—not an experiment, but

a proved fact that thousands are trying

every day. Sargol succeeds where all

other so-called flesh builders fail be-

cause it enables you to get 100 per cent.

efficiency from your food.

Your good common sense must prove

to you that if the food you eat pays you

only 25 per cent. of its 100 per cent.

value, that you are cheating yourself just

75 per cent. You can never be the man

or woman you should be and can be so

long as you continue to live on a 25 per

cent. basis.

No matter how thin you are or how

long you have been thin Sargol should

add pounds of solid, healthy stay-there

flesh to your weight and make your fig-

ure plump and symmetrical. Get a pack-

age of Sargol from your dealer and prove

it today. Use it as directed and watch

your daily meals put pounds of flesh on

your body. Sargol is absolutely harm-

less and is always sold on a positive

guarantee of weight increase or money

back.

NEAR HOULTON, WILD TALK
OF RAID ON NEW BRUNSWICK

A Houlton despatch to the Bangor Commercial says that that town was excited on Wednesday over the reported presence of what many believe to have been a German airship, hovering over the town of Houlton on Tuesday night.

A raid on the part of the air craft across the international border into New Brunswick was regarded as being a possibility. The air craft was plainly visible for nearly an hour. It circled about over the town and finally disappeared in a northerly direction, according to a story told by W. J. Moore and his neighbors.
