

Tailors to His Majesty -- "The Man"

Designed
Cut and Made
For You

YOUR new suit ought to be Tailored-to-Order. There's no getting around the fact that clothes designed, cut and made expressly for you, will fit you in body and mind -- as a man's clothes should fit him.

Men in all circumstances, of all tastes and ages find in our Tailored-to-Order Suits at \$15 the long-sought-for relief from the "hit-or-miss" ready-mades and the "fancy price" tailors' products.

Take a few minutes to inspect our unprecedented display of all-wool fabrics -- it will be time well spent.

Summer Suits -- To Order Only

Any Style and Fabric You Want

Getting What You Pay For --

The money you spend for clothes is good money; you are right in expecting CERTAIN SATISFACTION in return for it. You'll want dependable quality as a matter of course. You'll want garments that are comfortable and well fitted. And -- what is particularly important -- you'll want CORRECT AND BECOMING STYLE. You will find all these features embodied in our garments -- with the added attraction of ONE PRICE ONLY, \$15, and no added charge for any "extras."

English & Scotch Woollen Co.

MAIL ORDERS Write for our generous assortment of samples with style book, measuring chart and tape. You take no chances, as we guarantee satisfaction. Address: 415 St. Catherine Street East, Montreal.

RUSSIA PREPARING
FOR NEW CAMPAIGN

Traveler Tells of Work on Munitions and Drilling of Troops -- Japs as Instructors

New York, July 8. -- Dr. R. B. Ward, of New Haven, Conn., here from Copenhagen, after spending a year in Russia, said that the Russians were making

ing extensive preparations in arms and munitions for an early offensive against the Germans in Galicia. The Volga and Archangel Railroads, with newly constructed lines reaching from Volga to the battle line, has been taken over in its entirety by the government for the transportation of munitions of war. Only two passenger trains a week were being run when he left Petrograd, he said, and all freight traffic had been suspended.

Since Archangel opened to navigation, Dr. Ward asserted, ammunition-laden ships from England and Canada have been arriving almost daily. Thousands of soldiers at Archangel are busy day and night transferring munitions to trains, and all railroad equipment that can be handled is being operated over the road, the southbound trains being loaded to capacity.

"I left Petrograd about the middle of June," said Dr. Ward. "Despite the Russian reverses there was no indication of discouragement. Thousands of new troops are already in training and in readiness to be rushed to the front as soon as the danger of another shortage of munitions is past. They are simply awaiting ammunition and equipment. Within ten miles of Petrograd over 600,000 troops are encamped ready for the word to go into action, and I was reliably informed, as many more are in readiness in a dozen other places."

"While Russia is not receiving much help from Japan in the form of munitions or men, I know of my own knowledge that hundreds of trained Japanese officers are engaged in drilling Russian troops in the use of heavy artillery."

Mrs. Sarah Jane (Beckwith) Whitney, wife of George Whitney, formerly of Newcastle, recently died in Baldwinville, Mass.

LESS DRUGS USED

A prominent druggist recently placed his four sons in other lines of business because, he said, by the time they were his age there'd be no drugs used. While this may not happen, it's true less drugs are used. People are intelligent. The doctor no longer must give patients "something" or lose them to one who will. We look more to the great healer nature and are willing to have the doctor direct what nature would have used. Ask any doctor whether he prefers to treat indigestion or constipation artificially by drugs or naturally by diet, using in the latter Dr. Jackson's Roman Meal and he'll laugh at your simplicity. Roman Meal made into porridge, without stirring, using a double boiler or single boiler in basin boiling water to prevent burning, is the most delicious breakfast known. Don't stir. It won't get lumpy and stirring spoils it. All grocers, 10c and 25c.

PREVENTS INDIGESTION
RELIEVES CONSTIPATION

ATHLETIC COACH
MAKING HIS WAY

Wm. H. McVicar is Related To Joseph Kierin of This City

In a recent issue of the Boston Globe a lengthy article appeared giving the history of William H. McVicar, formerly star long distance runner for Exeter and present coach of the Dorchester Club athletic team. He is a son-in-law of Joseph Kierin, Spar Cove road. The article in part follows:--

"William McVicar is in athletics because of his love for clean sport. As a competitor he ranked in the front, and when a few years ago he retired from active participation he allied himself as coach, first with the Dorchester A. A. and later with the Dorchester Club. While his career was brilliant as a competitor, his record as a trainer and coach of distance runners has been no less distinguished, and he probably holds the unique distinction of developing more crack amateur distance runners than any man in the country. With him the development of athletes is a hobby and today after fourteen years of athletic connection his enthusiasm is not one whit diminished."

In the recent twelve mile marathon, which was won by Edouard Fabre, of Montreal, one of his proteges, Cliff Horne, finished second.

Mr. McVicar visited this city last year and during his short stay made many friends who will be pleased to hear of his success.

WHEN JOHNNY
WANTS A COLD DRINK

Another Problem for Mothers. After settling the pure food question for baby, and the pure ice question for the household, mother has now a moment of leisure to decide what Johnny and the rest of the children should have when they want a cold drink.

Montserrat Lime Fruit Juice is the verdict. Tens of thousands of cases have been used in the British navy this year, and the British expeditionary forces. The reason is, it is healthy, quenches the thirst, and is a delightful summer beverage.

Montserrat Lime Fruit Juice is especially valuable in the country, where the chances are that the water is not pure. Montserrat Lime Fruit Juice destroys the germ of typhoid. McGill University professors have proven this.

Montserrat, therefore, insures you against typhoid, besides it is so refreshing, cooling and thirst assuaging.

SUNSET LEAGUES

East End League.

In the East End League last evening the Glenwoods defeated the Commercial, 4 to 2. The game was interesting and was witnessed by a large number of spectators. The box score follows:--

Commercial	A. B. R. H. P. O. A. E.
Garnett, p.	3 1 2 0 3 0
Gorman, ss.	3 0 2 1 5 2
Gaskin, 2b.	2 0 1 0 0

Tonight: Alerts vs. Glenwoods.

VALLEY RAILWAY WRECK
The St. John Valley Railway was blocked two days by a wreck which occurred twenty-one miles west of Fredericton while a mixed train from Centreville was en route. Five cars left the rails and piled up in the worst smashup that has yet occurred on the new road. Fortunately no lives were lost and nobody was injured, but the damage, it is said, will amount to not less than \$10,000.

BAND CONCERT SATURDAY
It is announced that the Sons of England Band will give an open air concert in King Square on Saturday evening. The concert will be provided by the St. John County Orange Lodge.
