GOOD THINGS COMING TO THE THEATRES OF ST. JOHN

IMPERIAL REPEATS MONDAY'S CROWDS

Thousands More See Rare Picture, "Ashes of Vengeance."

corded Imperial Theatre upon the second day of "Ashes of Vengeance" yesterday as that of Monday, thus exceeding for the two days the similar run "A Royal Divorce" of last week. This attests to the public's instant appreciation of a remarkably fine photoplay—a picture of the truly superior class, of historical value, of dramatic and pictorial art. As stated last week this is the great First National Pictures Corporation's banner effort of the year and in the last issue of the Ladies' Home Journal a special writer singles it out as one of the worth-while examples of the cinematographic art since the inception of that form of entertainment. The film is superb, fits into an historical art gallery of the sumptuous days of France. With the lovely musical setting afforded by the Imperial Orchestra the general effect was one of rare enjoyment. This is the final day for the picture. Four exhibitions—2.00, 3.45, 7.00 and 8.45.

Three Wise Fools Imperial Tomorrow

Claude Gillingwater, William H. Crane and Alec Francis, three of the stage and screen's dearest old men, will furnish the sweetest kind of fun for Imperial's Thursday-Friday-Saturday crowds in the vitalized play "Three Wise Fools" the rivalries of these old chaps to cater to the motherless daughter of the woman who had refused them all in marriage. It is a darling story, funny as you like, then sharply dramatic, but always lovely. Then there will be scenes, Topics and News. Friday and Saturday the second story of the new Leather Pusher series will be brought on, and the second of the Song Revival groups, this time "Sweet Rosie O'Grady," "Sweet Adeline" and "In the Shade of the Old Apple Tree."

HORSE BADLY CUT

A horse owned and driven by George Knox, of Silver Falls, slipped and fell on the ice near the street car barns, Wentworth street, yesterday afternoon. The animal received a severe cut on one of its legs from which the blood flowed freely. The wound was dressed and Mr. Knox was able to proceed home with his injured horse.

Motor Show Great Success

The Motor Show being held all this week in the McLaughlin Show Rooms is proving a great attraction for the citizens and many are the compliments being handed out to the company in connection with same. Those who have not yet visited this display will miss a great treat if they do not take advantage of the opportunity before the week is ended. On the ground floor are to be found all the closed models being manufactured by the McLaughlin Company, and on the first floor, which is reached by a new stairway, which, by the way, is an added improvement to the show room are to be found the open models. Particular attention seems to be drawn to the stripped chassis, which shows the construction and operation of the four wheel brake, and the most persistent critic, after seeing the simplicity and positiveness of this brake are going away convinced that this added improvement to motor cars is really a necessity with the ever increasing traffic on the streets and highways of the country. A cosy tea room has been arranged in connection with the show room, where Red Rose Orange Pekoe Tea is being served from 4 to 6 in the afternoon and from 9 to 10 during the evenings; and Black's Orchestra will again be in attendance, furnishing a programme of music from 8 to 10. This show is entirely open to the public—admission is free, so one and all will be welcomed.

WILL TALK ON RACE PROBLEM

The second in the winter series of Sunday afternoon meetings for men, under the auspices of the religious work committee of the Y. M. C. A., will be held in the association building on next Sunday, Rev. Clarence MacKinnon, D. D., principal of Pine Hill College, Halifax, is being brought to the city to address this gathering. His subject will be "The Race Problem." Men are beginning to realize that in the name of common courtesy, common Christianity, and common goodwill, it is time to stop calling men of other climes, colors, creeds and classes the ugly names of "Dago," "Chink," "Sheeny," "Frog," etc. On Sunday Dr. MacKinnon will deal with this vital theme in a vital and vigorous way. His reputation as a speaker is one of international fame.

BEGINNING TONIGHT.

Prince Edward street church evangelistic campaign—speakers, Rev. A. W. Rolfe and Rev. Oswald J. Smith of Toronto with the famous Alliance Colored Male Quintette. Seats free. All welcome.
