PROVIDING FOR FAMILIES

WITH CHILDREN IN PARIS.
Paris, Nov. 16.—(By A. P. Mail)—Cheap lodgings for families with children are being completed and rented both inside Paris and in the district outside the old walls. These have been built with city and government money as a means of relieving the critical condition. 12-7

Separate wooden buildings have been constructed on the outskirts of the city and some temporary tenement buildings in the city. The first unit in Paris has 30 small apartments and 12 single rooms. Another unit will be ready in April. Progress has been slow but it is expected that next year the building may be pushed so as to have some effect on the lodging shortage. 12-7

Mrs. Harry Sellen, Main street, on Saturday received from the Department of Militia, Ottawa, a mother's silver cross in honor of her son, William, of the Fighting 28th, who lost his life in action at Cambrai. The young man, who paid the supreme sacrifice, went overseas with the 115th Battalion and was drafted to the 28th.

At the grand camp of the trail rangers of the city on Saturday in the Y. M. C. A., St. David's boys lead the contest. About 115 boys were present representing eleven of the city churches and after a supper A. M. Gregg, Bert Coupe and W. C. Cross provided entertainment. St. David's defeated St. Mary's in a basketball game by a score of 6-3. Nicholas Bone of Central Baptist church qualified in a swimming exhibition which was under the direction of H. Hyslop. N. F. McKenna and A. H. Davis were in charge of the floor exercises.

An impressive minor holiday of the Jewish calendar, known as Chanukah, was ushered in on Sunday evening. It will be observed for eight days by the Jewish community, known as Chanukah, in a spirit of cheerfulness and good will. The Feast of Dedication, as Chanukah is called, commemorates the stirring events in Palestine from 165 to 163 B. C. During these three years the Jews defeated the armies of Antiochus Epiphanes, King of Syria, removed the idols that the Syrians had set up in the Jewish temple and re-dedicated the temple to the service of the God of right, truth and justice.

MANY WITHOUT WATER UNTIL BREAK WAS MENDED

A bad break occurred in water main No. 12, about 6 o'clock on Saturday evening. The break took place in Waterloo street in front of Ungar's Laundry and isolating the break resulted in shutting off of the water from some of the higher levels. Commissioner Jones was quickly on the scene with a large crew of men and by working hard all night the break was repaired between 7 and 8 o'clock on Sunday morning. While the work of making repairs was in progress all the fire hydrants on the south side of Waterloo street, between Union and Golding streets, were out of commission, but those on the north side of the street were in working order and arrangements had been made to use the latter in case a fire had broken out.

POTATOES BURN; LOSS IS \$10,000

Passengers on the Boston express on Saturday brought word of a hot fire at Winn station on the Maine Central railroad, between Matamoras and Bangor. Fire started in a potato car on the track beside the station house and the station building was in grave danger when a train arrived and the trainmen took a hand in the fight. The locomotive was attached to the burning car and able to pull it away from the station. The car had set fire to William Martin's potato house and this, with \$5,000 worth of potatoes, was burned. The total loss is \$10,000.

MELITA ARRIVES.

The passenger season between this port and Europe was opened on Saturday evening by the arrival of the C. P. O. S. steamer Melita, which reached port about 7 o'clock from Liverpool and Havre. She is the first passenger boat this season and brought 316 cabin and 1,409 third class passengers in addition to 2,000 tons of general cargo and approximately 1,500 packages of parcel post and mail. The big vessel docked at berth No. 3, Sand Point, and the debarkation of the passengers started shortly after 9 o'clock on Sunday morning. The cabin passengers left by train for Montreal and the west at 12:20 p. m. and the first train of stateroom passengers got away at 9:35 last night.

Several men of the R. N. W. M. P. were conspicuous in Sand Point yesterday in their snappy uniforms. A detachment of these troops has been stationed at this port for the winter season, not only for the purpose of preserving order but also to act as disseminators of information concerning the Canadian west.
