Fond is he was of me. I don't believe that I could have persuaded him to follow me to the homestead if I had not brought my old regimental tunic along, and worn it at intervals to satisfy his doggish mind, For weeks after we settled down, he moped, only reviving at any slight indication that I might be going to take the trail out. Then, such a tail-wagging, such agonized whines, and yays, such yasks at my trouscielegis, such coaxing runnings ahead on the track and barked invitations to quit this foolishness and go back where he conditate, and at last, finding that I had no intention of quitting. Jim became reconciled to exile. For a long time, though. He seemed to miss the sound of the bugle more than anything else: and each day, about the hour of 'reveille' and 'retreat.' poor Jim would squat on his stumpy tail and howl his heart out to the Saskatchewan sky." Be Fly Exterminators Toronto World). 	Rev. B. H. Nobles, it is interesting to note that this is Mr. Nobles' second term in the ministry of the church. In his earlier ministry, about twenty years ago, he served there four years. He is now entering upon the fifth year of his second term. Two years ago the church increased his salary and now they have again voted an increase of \$100. The finances of the church are reported to be in an excellent condition and the church is in a more favorable position than for many years. It does pay to go to Steel's Shoe stores. You get a better article and you make a saving as well as being cor- rectly fitted. No one has the laugh on you.	young cricketers, who have already mate- their name in county cricket are up at Ox- ford as freshmen and should be a great asset These are F. H. Knott, the Rug- by "blue." and J. P. F. Campbell. As regards county cricket it may be well to state the new rule governing the calcula- tion of points in the championship. It is as follows: "Five points shall be scored for a win in a completed match. Should the match be not completed the side lead- ing on the first innings shall score three points. In the event of a tie, the points shall be divided. Matches in which no re- sult on the first innings shall have been attained shall not be included in the table of results." As regards the individual counties: — Kent, as the leaders last year, ought to do well. They will again have Dr. Dillon as captain, and will be able to rely on much the same side as last year, although it is rumored that K. L. Hutchings, their most brilliant batsman, may be unable to play- ers. Surrey, who were the runners-up to Kent last year, have secured the services of the old Harrovian, M. C. Bird, as cap- tain, and they should do well. Yorkshire are expected to do better this year, in spite of the definite retirement of their fa- mous captain, Lord Hawk. E. J. Rad- cliffe will succeed him, and as Rhodes and Denton have not spent the winter cricket- ing in Africa, as they did in 1909-10, they will start fresh. Of the other counties, Middlesex, Lancashire and Notts ought to out the score wild for first place. Of the other counties, their far they first place. Of the other counties in the score counties.	philosophy—a healthy, quist kind, not too introspective. Thereral at Public Landing on Thursday morning at 10.30.</td>	Rev. B. H. Nobles, it is interesting to note that this is Mr. Nobles' second term in the ministry of the church. In his earlier ministry, about twenty years ago, he served there four years. He is now entering upon the fifth year of his second term. Two years ago the church increased his salary and now they have again voted an increase of \$100. The finances of the church are reported to be in an excellent condition and the church is in a more favorable position than for many years. It does pay to go to Steel's Shoe stores. Wou get a better article and you make a saving as well as being cor- rectly fitted. No one has the laugh on you. This hady was too basy house- cleaning to go as far as Steel's: now you see the result: Shoe had been using Steel's farm- ons \$3,00 patent leather boot, the best boot for the price made to-	young cricketers, who have already mater their name in county cricket are up at Ox- ford as freshmen and should be a great asset. These are F. H. Knott, the Rug- by "blue." and J. P. F. Campbell. As regards county cricket it may be well to state the new rule governing the calcula- tion of points in the championship. It is as follows: "Five points shall be scored for a win in a completed match. Should the match be not completed the side lead- ing on the first innings shall score three points. In the event of a tie, the points shall be divided. Matches in which no re- sult on the first ininings shall have been attained shall not be included in the table of results." As regards the individual counties: — Kent, as the leaders last year, ought to do well. They will again have Dr. Dillon as captain, and will be able to rely on much the same side as last year, although it is rumored that K. L. Hutchings: their most brilliant batsman, may be unable to play- ers. Surrey, who were the runners-up to Kent last year, have secured the services of the old Harrovian, M. C. Bird, as cap- tain, and they should do well. Yorkshire are expected to do better this year, in spite of the definite retirement of their fa- mous captain, Lord Hawk. E. J. Rad- cliffe will succeed him, and as Rhodes and Denton have not spent the winter cricket- ing in Africa, as they did in 1909-10. they will start fresh. Of the other counties, Middlesex, Lancashire and Notts ought to make a good bid for first place. Of the sixteen counties competing last year, and all that is now required to insure a suc- cessful scason is some fine and warm wea- ther. <u>WHEN YOU ARE GONE</u> .	philosophy—a healthy, quist kind, not too introspective. For the mere killing of fish is a small part of the sport of angling: nor is the tingling joy of a fight that taxes art and tackle the best of it. The real best of it, the love of which marks your true fisherman, is the hypnotic medley of joyous sight and sound and scent—ripple and gleam, and rush of living water, the yhisp- er of wind in leaf and grass, the strong sweet savor of spring out-of-doors—that makes a day by a trout stream so fragrant a memory.	observance of the anniversary will take the form of an assembly and social evening, on Monday, May 22, in Keith's assembly room. (The charge for inserting notices of births, marriages or deaths is fifty cents.) MARRIAGES EARLE-HENRY-This morning, at Ex month street church, by the Rev. W. W. Brewer, George C. Earle, of Somerville, Mass., to Margaret V. Henry, of St. John. DEARTHS MOGERSON-On May 2, at her resi- dence. No. 1 Carleton stret. Jane, be- loved wife of John Rogerson, aged wars. Tuneral from her late residence on funnsday, 4 inst., Service begins at 2.30 o'cock. MARTI-At the home of his father, Spar Cove road, James W. Craft, young- eas on of Frank and Luey Craft, aged one year and six months. MECONCHIE-At the General Public Hospital, on the 2nd inst., Mrs. Harry McConchie, of Public Landing, in the 45th year of her age, leaving her husband and son, father, mother and one brother to mourn. Thereral at Public Landing on Thursday morning at 10.30.
<text><text><text><text></text></text></text></text>	Webst Wheat 947% 94 May	 across the grounds, Jim was always first at the mess-room door, and his day ended with retreat as regularly as the sun went down. So you see that when I took my discharge from the service one April of the nineties, and filed on a bush homestead some distance north of the North Saskatchewan, it nearly broke Jim's heart. Fond is the was of me, I don't believe that I could have persuaded him to follow me to the homestead if I had not brought my old regimental tunic along, and worn it at intervals to satisfy his doggish mind, For weeks after we settled down, he moped, only reviving at any slight indication that I might be going to take the trail out. Then, such a tailwagging, such agonized whines, and yays, such yaaks at my trouscielegis, such coaxing runnings ahead on the track and barked invitations to quit this foolishness and go back where he condition of quitting, Jim became reconciled to exile. For a long time, though, he scened to miss the sound of the bugle more than anything else: and each day, about the hour of 'reveille' and 'retreat', poor Jim would squat on his stumpy tail and how! his heart out to the Saskatchewan sky." Be Fly Exterminators Toronto World). They housefolder should take severely to leart the dniy of preventing the plague of house flies that reaches its height in the late summer. That can best be done, as and when the survivors of the winter first appear, and by providing no opportunities favorable to their propagation. A single specimen of this pest, so extremely danger or site the public health as a disseminator of discase, it has been authoritatively stated, will, in a single season, be succeded 	Rev. B. H.
