30	F		5th Sunday after Trinity.	11 26	4 21	9 45	☿	10 46	11 5

Cultivator quotes from the Agricultural Gazette, directions for making cement floors, from which we extract the following:—

Two parts of sifted coal ashes and one part of quick lime, to be thoroughly mixed together in a conical heap, then proceed as in mixing up finemortar, making a hollow in the top of the cone, and pouring in gas tar—not gas water, or that which is half and half as it sometimes
